Addendum to Main Reports Pack

Meeting: Executive
Date: 23 March 2023
Agenda Item: 4
Subject: Leisure & Culture Strategy

Reason for Addendum: To reflect feedback from the Overview & Scrutiny Committee on 16th March 2023

Amendment to Executive Recommendations (page 15 of agenda pack)

- (i) **That the Executive approves the Leisure & Culture Strategy Part 1, as amended by the published addendum**
- (ii) **That the Executive supports the ongoing development of Part 2 of the Leisure & Culture Strategy, and notes that this will be developed in consultation with the Overview & Scrutiny Committee before being brought to a future Executive meeting for approval**

Amendment to Covering Report (page 22 of agenda pack)

36. In developing the Strategy consultation has been carried out within the relevant service areas, with Heads of Service across the Council and with Executive members. This paper and the accompanying Annex ~~were~~ will be considered by the Overview & Scrutiny Committee prior to being brought forward to the Executive.

37. The O&S Committee noted the report and made the following recommendations to the Executive:

- 1) The Leisure & Culture Strategy is reviewed and further developed to clearly identify the current leisure and culture offer to residents and what it aims to provide
- 2) The Leisure & Culture Strategy is reviewed and further developed to clearly identify how the objectives will be achieved
- 3) The Leisure & Culture Strategy is reviewed and further developed to clearly identify the weaknesses and challenges in the current leisure and culture offer and how these will be overcome

37. Reflecting on the comments from the O&S Committee, it is recognised that there is an opportunity to develop the strategy further to address its concerns. As a result of the Committee's feedback, it is therefore proposed to treat Annex 1 as 'Part 1' of the Strategy, and develop an additional 'Part 2' which will include more information about delivery and implementation to achieve the identified objectives.
