**OVERVIEW AND SCRUTINY COMMITTEE: ANNUAL REPORT  
2015/16**

Councillor B.A. Stead presented his Annual Report on the activity of the Committee during 2015/16. The report concluded that this activity, whilst maintaining a streamlined approach which had been appropriate to the ongoing financial pressures facing the Council, had added great value, particularly through the use of external scrutiny.

The Committee noted its thanks to the Chief Executive, Deputy Chief Executive and Management Team for their attendance at its meetings.

**RECOMMENDED that the Committee's Annual Report for 2015/16 be noted.**
