REASONS FOR RECOMMENDATIONS:

The *Local Government Finance Act 1992* sets out the requirement for local authorities to set a budget for the next financial year. This report provides the information to fulfil that requirement. Under the Constitution the Executive considers a proposed budget and Council Tax, before then making a recommendation on the appropriate level of Council Tax to full Council. Following consideration, Council may then authorise the budget and Council Tax.

EXECUTIVE SUMMARY:

This report will enable this Council to collect Council Tax for 2017/18 on behalf of itself and its precepting bodies.

Recommendations 1 – 7 are subject to approval by the Council.

STATUTORY POWERS

1. The *Local Government Finance Act 1992* (the Act) sets out the requirement for local authorities to set a budget for the next financial year. The full Council of the authority is formally required to approve the budget and for Council Tax to be levied. Under the Council's Constitution the Executive considers a proposed budget and Council Tax, in order to make a recommendation on the appropriate level of Council Tax to the full Council.
2. Reigate & Banstead Council, in common with other District and Borough Councils, acts as a Council Tax collection agent for other organisations, known as "preceptors" on the Council's Collection Fund. Reigate & Banstead's preceptors are Surrey County Council, Surrey Police, Horley Town Council and Salfords and Sidlow Parish Council. The majority of Council Tax paid by residents of the borough is collected on behalf of these precepting authorities.
3. At the time of writing the final precepts from Surrey County Council and the Surrey Police are not known. They are holding their budget setting meetings in early February. All information relating to the precepts presented in this report is based on the latest available estimates, for illustrative purposes, and may therefore be subject to change.

ISSUES

4. The purpose of this report is to propose the technical recommendations which Council will need in order to comply with the Act and set a legally compliant budget.
5. Annex 1 sets out, in accordance with the legislation, the calculation of the Borough's and the Parish/Town Councils' basic amounts of tax. That is, the taxes for a Band D property.
6. The calculations below have been based on the assumption that the Executive will recommend a budget at that level for acceptance by Council. Any changes by the Executive will, of course, be incorporated into the recommendation to Council in February.
7. **Salfords and Sidlow Parish Council** set their budget on 12 December 2016 based upon an amount of £22.58 for a Band D dwelling which is a decrease of £0.22 for a Band D dwelling.
8. **Horley Town Council** set their budget on 13 December 2016 based upon an amount of £35.94 for a Band D dwelling which is an increase of £0.70 from 2016/17.
9. **Reigate and Banstead Borough Council's** proposed annual Band D Council Tax rates are as follows:

- £214.44 (or £4.12 per week) in non-parished areas (i.e. the Borough's Council Tax)
 - £250.38 (or £4.82 per week) in the Horley Town Council area
 - £237.02 (or £4.56 per week) in the Salfords and Sidlow Parish Council area.
10. The Council has previously decided to treat all its expenditure as a general expense on the whole of the Borough and not to designate any special expense areas (for example, for parish/town Council areas) (minute no. 5(i)(5), page 623 1993/94 refers). All residents therefore pay the same basic amount for borough services for a Band D property, subject to statutory exemptions, reliefs and discounts.
11. **Surrey County Council** is due to set its budget in February 2017. For the purposes of this report a 4.0% increase in their council tax rate has been assumed. This equates to a Band D Council Tax of £1,319.01. The calculations shown in Tables 1, 2 and 3 are therefore illustrative only, in order to show what the Band D Council Tax for the average Council Taxpayer might look like. The Executive is recommended to authorise the Chief Finance Officer to make such amendments as are necessary to this report in order to reflect the final demand from the County Council in the report to Council in February 2017.
12. **Surrey Police** is due to set its budget in early February 2017 with a proposed increase of 1.99% in their council tax rate. Again, the calculations in Tables 1, 2 and 3 are illustrative only, in order to show what the Band D Council Tax for the average Council Taxpayer might look like. The Executive is recommended to authorise the Chief Finance Officer to make such amendments as are necessary to this report in order to reflect the final demand from the Surrey Police in the budget report to Council on 9 February 2017.
13. The 2017/18 Council Tax for each area of the Borough is as detailed in Annexes 2, 3 and 4. In summary, the total to be collected in 2017/18 is shown in Table 1 below.
