HORLEY BAPTIST CHURCH - LICENCE FOR MUSIC AND DANCING

I object to the above application for the following reasons.

Our garden borders the car-park of the church and, apart from the obvious noise factor, we have previously had to replace a large area of fencing which has been damaged by youngsters attending social functions at the church.

Although I am sure the youngsters are properly supervised when inside the confines of the church in the past, the numbers have been such that large crowds have formed in Albert Road, outside the church, and the nearby houses. Any ban on alcohol which pertains inside the building does not apply of course when in the road, with obvious consequences.

With the Strawson Hut immediately opposite the church - where frequent parties are held, and the night club at the other end of Albert Road, I do feel that we are taking our fair share of happy revellers.

Yours sincerely

 Celia Dickerhof
