Dear Sir,

I have been informed that The Ship, public house, in Copse Road Meadvale has applied to the council for a Public Entertainment Licence.

It is true to say that in the summer months residents in these areas all ready have to put up with, discos noisy parties + intrusive Karaoke during the evenings. It is disturbing and does prevent people from sleeping.

The grant of the licence would mean more evenings of disturbance on a regular basis and having to endure the noise of live bands too.

2. There are residential properties all around, "The Ship", and near it. It would not enhance the quality of life for the residents if this licence were granted.

Yours sincerely,
J. Herbert (Mrs.).
