RE: The Ship Pub, Copse Road, Licensing Application

To Whom It May Concern:

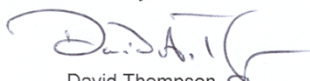

We are writing to lodge our opposition to The Ship Pub's application for a public entertainment license.

The pub is surrounded by residential properties on all sides – all in near proximity.

There is already a good deal of noise from the pub on a regular basis. The granting of a public entertainment license will only mean more noise for the neighbours.

We will appreciate your considering our views – and the concerns of the neighbouring residents – in reviewing this application.

Sincerely,

David Thompson

Lisa Thompson
