Dear Sirs

**Re:- The Ship Pub, Copse Road, Licensing Application**

We would like to lodge our objection to the Public Entertainment License applied for by the Ship Pub in Copse Road.

We already have to endure very loud music from the Discos, Karaoke's and parties held at the pub. It is impossible to sleep with the windows open on summer nights because of the noise. After closing time we have taxis sounding their horns, people shouting, swearing and sometimes fighting. This sort of disruption can go on into the early hours and is very frightening for those living in close proximity.

This is a residential area and we should not be subjected to this sort of noise and disruption.

We have signed this letter, but would request that our details are not disclosed to anyone.

I hope the Council will take into account the quality of life of those of us who live in the area around the pub when considering the License application.

Yours sincerely

  
Mr & Mrs B R Vagg
