It has come to my attention that the Ship Pub in Copse Road Meadvale has applied to you for a Public Entertainment Licence. Granting such a licence would be totally unreasonable.

The Ship is surrounded by residential properties on all four sides within close proximity to the pub.

On a regular basis particular at weekends arguments and fights occur when people leave the pub late at night this is intimidating for my family who are woken by the noise.

Having family and friends around for an occasion is overshadowed by the extremely loud music (live bands etc) going on all day into late evening.

Granting a Public Entertainment Licence would obviously increase the attendance to the Ship causing greater nuisance.

The Ship is located in a most unsuitable location for a venue with an entertainment licences namely a quite residential location.

I have already been informed that my property carries a significant discount to its value because of its location within close vicinity to the Ship granting this license will no doubt cause this situation to worsen.

I would urge the Council to give consideration to the plight of the local Rate Paying residents and Reject this application being made by the Ship Pup for an ENTERTAINMENT LICENCE.

Yours Sincerely

David-Owen Weaver.
