7. THE LOCALISM ACT 2011

The Committee received a report on the requirements of the Localism Act 2011 and the need to establish a new framework for standards.

The Localism Act 2011 abolished the current "Standards" regime and replaced it with a more locally focussed process for regulating Member Conduct. There would no longer be a national Code of Conduct but Councils would have to adopt their own Codes and these had to be consistent with certain principles.

The Council would have to establish new arrangements under which allegations of Member misconduct could be considered and, if appropriate, investigated and it would have to appoint at least one "independent person" whose views would be sought before a decision on an allegation was made.

The Monitoring Officer had to establish and maintain a register of interests, ensure that this was available for inspection and published on the website. Members would have to declare pecuniary interests on election to office and these disclosable pecuniary interests were specified in Regulations. It would be a criminal offence for Members to deliberately withhold or misrepresent a financial interest.

The Act imposed a new duty on Council's to promote and maintain high standards of conduct by Members.

The report set out relevant statutory powers, background information, the principal features of the new standards framework and issues for the Council to consider – namely the need for:

- a new Member Code of Conduct
- a reconstituted Standards Committee
- appointment of "independent persons"
- procedures and protocols for dealing with complaints
- a new register of interests
- procedures in relation to disclosure at and withdrawal from meetings
- the role and involvement of Parish Councils
- training

The report covered financial issues, legal, financial, equality and policy framework implications and consultation. The report had appended to it a draft Member Code of Conduct and terms of reference for a reconstituted Standards Committee.

Since despatch of the agenda, it was reported that Regulations had been issued confirming that the new standards framework would commence from 1st July 2012 and defining the new statutory "disclosable pecuniary interests".

The Regulations also introduced a provision allowing (prior to the 1st July

2013) the appointment of existing independent members as “independent persons” subject to public advertisement and recruitment to the new role.

Additionally (since despatch of the agenda) a number Members had suggested that the proposed new Code of Conduct could usefully be strengthened by inclusion of requirements on non-pecuniary interests. A revised draft incorporating and highlighting suggested changes was accordingly circulated at the meeting.

The Council had a large degree of local discretion on the new Code provided it was consistent with certain principles. The draft comprised six parts and the majority was either statutory or based on the Localism Act and Regulations made under this primary legislation. The principal discretionary elements (not based on the Act) related to the inclusion of general obligations extracted from the current Code and a requirement to declare non-pecuniary interests.

A range of issues were discussed and, where appropriate, answers and explanations were provided by the officers. In relation to one issue - the status of co-opted members and who could be appointed into this capacity specifically for the Standards Committee - it was agreed a report clarifying the legal position and scope for co-optees, for example Town and Parish Councillors, independent members and independent persons, should be submitted to the next meeting of the Standards Committee. There was a degree of consensus that voting co-optees were desirable.

RECOMMENDED that:

- (i) the Code of Conduct set out at Appendix A to these Minutes be adopted with effect 1st July and incorporated in the Council’s constitution in place of the current Member Code of Conduct;**
- (ii) Salfords and Sidlow Parish Council and Horley Town Council be recommended to adopt the Borough Council’s Code of Conduct;**
- (iii) subject to report on the issue of co-opted members, as referred to above, to a future meeting of the Standards Committee, the draft Terms of Reference (including proposed composition) for a reconstituted Standards Committee, as set out at Annex 2 to the circulated report, be approved and incorporated into the Council’s Constitution;**
- (iv) two independent persons be appointed and the Monitoring Officer be authorised to commence the recruitment process leading to recommendation on appointments by the Standards Committee to Council;**
- (v) in relation to allegations of misconduct by Members, the Monitoring Officer be asked to develop procedures and protocols for consideration and approval by the Standards Committee;**
- (vi) the Monitoring Officer be authorised to establish and maintain registers of interest for the Borough and Parish Councils in accordance with legislative requirements, with effect from 1st July 2012;**

(vii) the requirement for Members to withdraw from a meeting when they have a disclosable pecuniary interest be incorporated in the new Code of Conduct;

(viii) the Monitoring Officer be requested to work closely with the Parish Clerks and help the Parish Councils with all the new requirements;

(ix) Parish Council representation on the Standards Committee, on a co-optee basis, be retained in accordance with the draft Terms of Reference set out at Annex 2;

(x) the Monitoring Officer be requested to provide suitable training on the new standards framework for all Borough and Parish Councillors; in respect of Borough Councillors the training be deemed obligatory; and

(xi) the new Code of Conduct be reviewed by the Standards Committee after 12 months and/or in the light of any amending/further Regulations on the matter.

8. ANY OTHER URGENT BUSINESS

None.

The meeting closed at 8.40 p.m.

Other Interests

- (5) Other (non-pecuniary) interests are not formally defined either in legislation or for the purposes of this Code. It is therefore the responsibility of individual Members to determine whether they have a non-pecuniary interest. In doing so, they should consider whether an objective third party would reasonably consider that they have an interest, and they may also seek the advice of the Monitoring Officer.

Disclosure and Participation at Meetings or Involvement as a Single Member

- (6) The following provisions apply if a Member is present at a meeting of the Authority and is aware that he/she has a disclosable pecuniary interest and/or a non-pecuniary interest in any matter to be considered, or being considered, at the meeting.

- Disclose that interest (existence and nature – unless it is a sensitive interest – see paragraphs 12 to 14);
- Not participate in any discussion or vote; and
- Withdraw from the meeting whilst that business is transacted.

(8) If a Member has a non-pecuniary interest in a matter being considered at a meeting of the Authority they must:

(10) In relation to Executive functions discharged by a Member of the Authority acting alone, where that Member has a disclosable pecuniary interest and/or a non-pecuniary interest (which could reasonably be regarded as so significant as to prejudice the Member's judgement of the public interest) in any matter to be dealt with and the Member is aware that this condition is met:

- (a) if the interest is not entered in the Authority's register and is not subject of a pending notification, the Member must notify the Authority's Monitoring Officer of the interest before the end of 28 days beginning with the date when the Member becomes aware that he/she has a disclosable pecuniary interest and/or the non-pecuniary interest; and
- (b) the Member must not take any steps, or any further steps in relation to the matter, except for the purposes of enabling the matter to be dealt with otherwise than by the Member.

(11) Where a Member gives a notification of a disclosable pecuniary interest under paragraphs 7 and 10 (a) the Monitoring Officer must arrange for the interest notified to be entered in the Authority's register.

Sensitive Interests

- (12) Members may have a pecuniary or non-pecuniary interest which if disclosed and registered could lead to the Member, or a person connected with the Member, being subject to violence or intimidation.
- (13) In these circumstances, if the pecuniary interest is entered in the Authority's register, copies of the register that are made available for inspection, and any published version of the register, must not include details of the interest (but may state that the Member has an interest the details of which are withheld).
- (14) If paragraph (12 or 13) applies in relation to the interest, that provision is to be read as requiring the Member to disclose not the interest but merely the fact that the Member has a disclosable pecuniary interest in the matter concerned.

Part 4

Offences

- (1) A Member commits an offence if, without reasonable excuse, the Member fails to comply with an obligation imposed under Part 3 paragraphs (6), (7) and 8 (a) and participates in any discussion or vote in contravention of Part 3 paragraph (6).
- (2) A Member also commits an offence if he/she discloses, under the Code, information that is false or misleading and the Member knows that the information is false or misleading.
- (3) A Member who is guilty of an offence under the Code is liable on summary conviction to a fine not exceeding level 5 on the standard scale. A court dealing with a person for an offence may in addition and by Order disqualify the person for a period not exceeding 5 years from being a Member.
- (4) A prosecution for an offence may only be instituted by or on behalf of the Director of Public Prosecutions. Proceedings may be within a period of 12 months beginning with the date on which evidence sufficient to warrant proceedings is known to the Prosecutor.

- (2) A dispensation may be granted where the Authority considers that:

- (a) without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of business;
 - (b) without the dispensation the representation of the different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business;
 - (c) granting of the dispensation is in the interests of persons living in the Authority's area;
 - (d) without granting a dispensation each Member of the Authority's Executive would be prohibited from participating in any particular business to be transacted by the Executive; or
 - (e) it is otherwise appropriate to grant a dispensation.
