Agenda Item 1

BOROUGH OF REIGATE AND BANSTEAD

LICENSING & REGULATORY COMMITTEE

Minutes of a meeting of the Licensing & Regulatory Committee held at the Town Hall, Reigate on Tuesday 16 January 2018, at 7.30 pm

Present: Councillors: Rosemary Absalom, Derek Allcard, Liam Ascough, Natalie Bramhall, Keith Foreman, Bob Harper, Frank Kelly, Steve Kulka, Andy Lynch, David Pay, Barbara Thomson and Christopher Whinney

5. MINUTES

RESOLVED that the minutes of the meeting held on 1 June 2017 be confirmed as a correct record and signed.

6. APOLOGIES FOR ABSENCE

Apologies for absence were received from Councillor R. Ashford.

Note: Councillor Ashford was appointed to the Committee, following publication of the agenda, to take up the vacant seat created by the resignation of Mr Simon Rickman.

7. DECLARATIONS OF INTEREST

None.

8. ADOPTION OF A SURREY WIDE CRIMINAL CONVICTIONS POLICY AND THE INTRODUCTION OF SAFEGUARDING TRAINING FOR LICENSED DRIVERS AND APPLICANTS

The Committee received a report proposing changes to the Taxi and Private Hire Licensing Policy.

The aim of the changes was to strengthen the policy and in particular the protection of vulnerable children and adults by introducing consistent standards across Surrey.

To this end, the report also proposed that all drivers should be required to complete a course on safeguarding children, to help them in recognising any signs of potential abuse and to know what to do if they have concerns.

The case of a driver in another area of the country was cited. Having taken the safeguarding course he engaged a young teenager in conversation to find out where she was going because he was worried about her travelling alone.

The information volunteered by the young girl made him concerned for her safety, so he did not drop her off but instead handed her into the care of a responsible adult and reported the matter to the Police who subsequently investigated the person she was supposed to be meeting.

The annexes to the report set out the outcomes of the consultation exercise undertaken across the County and it was noted that Reigate and Banstead had the highest response rates.

Members sought clarity on a number of points, including the following:

- how the online training course would be administered and what controls could be put in place to monitor that tests were being completed by the drivers rather than anyone else;
- whether relevant information obtained through the driver application process was shared with Surrey County Council, which operated the school transport service;
- what checks, comparable to DBS, were undertaken for foreign nationals;
- what exceptional circumstances might apply in the case of applicants with a past conviction for violence; and
- what was the percentage of successful appeals by drivers who had been refused a licence;

The Committee commented upon the relatively low percentages in favour of the changes from consultees working in the trade, which was disappointing. It was accepted that drivers may not think it was their responsibility to protect vulnerable people, but they were in a unique position to be able to recognise potential signs of risk and to act accordingly.

The hope was that, over time, the new measures would make drivers aware of the important role they could play in safeguarding.

With this in mind, the Committee expressed its wish to see the safeguarding training extended to cover all operators, managers and call-handlers in the future.

RECOMMENDED that the Surrey Wide Criminal Conviction Policy as set out in Annex 6 of the report presented be adopted.

RESOLVED:

- (1) That safeguarding training is implemented and made a requirement for all existing and new licensed taxi and private hire drivers.
- (2) That the Head of Service with responsibility for licensing is authorised to make minor changes and adjustments to the Conviction Policy and amend relevant parts of the Taxi & Private Hire Licensing Policies in

consultation with the Chairman of the Licensing & Regulatory Committee.

9. **ANY OTHER URGENT BUSINESS**

None.

The meeting closed at 8.10 pm

BOROUGH OF REIGATE AND BANSTEAD
LICENSING & REGULATORY SUB-COMMITTEE

Minutes of a meeting of the Licensing & Regulatory Sub-Committee held at the Town Hall, Reigate on Monday 19 February 2018 commencing at 2.00 pm

Sub Committee: Councillors A Lynch (Chairman), D Allcard and J Essex

13. APOLOGIES FOR ABSENCE AND RECONSTITUTION OF THE SUB-COMMITTEE

There were no apologies and the membership of the Sub Committee was as set out in the agenda.

14. MINUTES

RESOLVED that the minutes of the meeting held on 18 September 2017 be confirmed as a correct record.

15. DECLARATIONS OF INTEREST

There were no declarations of interest.

16. LICENSING HEARING PROCEDURE NOTE

RESOLVED to note the procedure note to be followed at the discretion of the Chairman.

**17. APPLICATION FOR A REVIEW OF THE PREMISES LICENCE:
Railway Arms, Merstham**

In attendance and speaking at the hearing:

Surrey Police ('The Applicant')

Mr Peter Savill, Legal Counsel

Mr Ian Sandwell, Licensing Enforcement Officer

Ms Jennifer Billin, Licensing Enforcement Officer

Punch Taverns (The Licence Holder')

Mr Piers Warne, Legal Counsel

Mr Andrew Cowling, Area Manager

Making public representations:

Mr Jason Black

Mr Edward Browne

Mr John Hall

Note:

Prior to the commencement of the hearing, the Sub Committee considered a request from the applicant for the hearing to move into private session whenever sensitive information relating to an ongoing police investigation was to be heard.

The licensing authority was satisfied that, in all the circumstances, it was appropriate to exclude the public from the relevant part of the hearing because it considered that the public interest in so doing outweighed the public interest in that part of the hearing taking place in public.

The Licensing and Regulatory Sub Committee thereby

RESOLVED, that the Public and Press be excluded from the hearing at any point where submissions or representations are to be made which relate to the restricted information contained in Annexes D and E-2.

The Chairman invited the Licensing Officer to present the report.

The Licensing Officer presented the report and advised that the application had been brought by the applicant because of concerns associated with serious crime and disorder.

The application for review was made under section 53A of the Licensing Act 2003 which required a hearing to be heard within 28 days from the date of application.

It was noted that the Licensing Sub Committee met within 48 hours of receipt of the application, to consider whether to impose interim steps, and agreed that the licence should be suspended with immediate effect.

The application papers referred to a history of violence and breaches of condition at the premises over the past few years, culminating in an incident at the premises on 20 January 2018 at which two people were stabbed during a fight. It was noted that the investigations were ongoing and that one of the perpetrators was still being sought.

Eight representations were annexed to the report, two in support of the Police application and six in support of the current pub management.

The licensing officer reported that, subsequent to the issue of the agenda papers, a letter addressed to the sub committee had been received from the licence holder fully supporting the Police request for the licence to be revoked.

The licensing officer read out the letter in full and a copy is appended to these minutes for the record. Copies of the letter were provided to members of the public present at the hearing.

Following the licensing officer's introduction, the Chairman invited the applicant to make any public submissions in support of the application.

The applicant thanked the licence holder for supporting the Police application and advised that the application also referred to evidence related to intoxication, young children being present in the bar and the sale of alcohol outside of the licensing hours. These matters were also of concern to the applicant as were the violent incidents recorded in recent weeks.

The Chairman thanked the applicant and invited the licence holder to make any public submissions.

The licence holder advised that it took its responsibilities very seriously and expected all its tenant managers to support and cooperate with the Police. This was reflected in its decision to take the unusual steps of closing the premises and supporting the request for revocation of the licence.

The Chairman thanked the licence holder and invited public representations.

Mr Black addressed the Sub Committee and the following points were noted:

- He regularly frequented the premises and knew it well. He had only ever witnessed one act of public disorder, where people had had too much to drink, and this had been swiftly dealt with by the bar staff.
- The assault upon the landlady in 2016 was not related to behaviour inside the pub and the circumstances of the person who committed the offence should be borne in mind.
- Children were kept away from the bar area.
- The current landlady had done a good job to date in running the premises.
- He had never been aware of any out of hour sales.
- The Thai restaurant which used part of the premises had also had to close and should have been allowed to stay open.

Mr Browne addressed the Sub Committee and the following points were noted:

- He agreed with all the points made by Mr Black.
- This had been a one-off incident and there were no other significant issues with the running of the pub.
- Local residents were better qualified to comment than the Police because of their local knowledge and familiarity with the premises
- The loss of the pub was of much concern as it was an important asset to the local community.
- The pub was not as dangerous as the Police were implying.

Mr Hall addressed the Sub Committee and the following points were noted:

- He agreed with everything the previous two speakers had said.
- The pub was much valued locally, it was not dangerous nor did local residents see it as being so.
- It was unfair that the Thai restaurant had also been forced to close and he very much hoped that the pub would reopen.

The Chairman thanked all the speakers for their submissions and advised that the hearing would now move into private session.

The hearing moved into private session at 2.28 pm.

During the private part of the hearing, the Sub Committee expressed its regret that the Thai restaurant had also been forced to close, although it recognised that this was not a licensing issue and should not be taken into consideration when making its decision.

The licence holder advised that it had had no option, as it had no direct contract with the restaurant and was obliged to close the whole premises.

It was keen to review all options for reopening the pub, however, this was subject to finding the right operator and any new application would be in consultation with the Police.

*The Sub Committee adjourned to deliberate at 2.37 pm
and resumed at 3.03 pm to give its decision in public session.*

The Licensing and Regulatory Sub Committee

RESOLVED that the premises licence for the Railway Arms, Merstham be **REVOKED**.

Reasons for the decision

1. The Licensing & Regulatory Sub Committee has carefully reviewed all the papers before it.
2. It has noted the evidence of Surrey Police regarding:
 - recent violent criminal activities at the premises which included fights and stabbings;
 - the lack of co-operation from the management of the premises in respect of recent violent criminal activities;
 - the sale of alcohol to minors and outside of licensing hours;
 - easy accessibility of knives to the public from the kitchen;and these matters are of equal concern to the Sub Committee.
3. It has reviewed the photographic evidence and has concerns that the CCTV was not working at all times, as this forms part of the licensing conditions.
4. It is noted that the premises licence holder fully supports the Police application for revocation of the licence.

5. The Sub Committee has had regard to the Licensing Objectives, and in particular Crime and Disorder, Public Safety, Protection of Children from Harm, Section 182 Licensing Act 2003 statutory guidance and its own Statement of Licensing Policy, in particular Section 8.
6. The Sub Committee has given due regard to the individual merits of this application, s149 Equality Act 2010, Human Rights/ECHR legislation in particular article 8 and article 1 First Protocol and the rules of natural justice.

General Observations

The Sub Committee has noted the support from members of the public in respect of the premises.

It is reassured that the licence holder is keen to seek suitable operators to enable a new premises licence application to come forward so that the premises can reopen in line with the licensing objectives.

The Sub Committee is satisfied that the Police had reasonable grounds to bring this application because of genuine concerns about public safety as evidenced within the restricted material.

18. **INTERIM STEPS**

The Sub Committee noted that its decision in respect of the revocation of the premises licence would not take effect until the end of the 21 day appeal period, or until the disposal of any appeal subsequently lodged.

It noted that section 53D of the Licensing Act 2003 required it to review any interim steps taken, following its determination of the appeal and to decide whether they should remain in place, be withdrawn or modified.

In the circumstances, and having taken account of all the evidence submitted both within the papers and orally at the hearing, the Licensing and Regulatory Sub Committee

RESOLVED that the interim step of suspending the licence should remain in place until its decision to revoke the licence in respect of the Railway Arms comes into effect.

19. **APPLICATIONS DETERMINED THROUGH MEDIATION**

 - (c) from the applicant and/or representative to any other party;
 - (d) from the responsible authorities to any other party;
 - (e) from any other speaker to any other party

Note: All questions must be put through the Chairman. There is to be no direct cross-examination between the parties, at any time, without the express permission of the Chairman.

8. **The Chairman** will invite closing submissions from the parties in the following order:
 - (a) the licensing officer,
 - (b) the applicant (or their representative),
 - (c) the responsible authorities,
 - (d) any other speakers.

8. **The Chairman** will confirm that no one else has anything further to add and will then adjourn the meeting.
9. The Committee will deliberate in private, attended by the legal officer and the democratic services officer who may only give professional advice or guidance.
10. If it is necessary to recall any party to clarify points in issue, all parties will be invited to return.
11. When the Committee has reached its decision all parties will be advised and the Chairman will resume the meeting.
12. **A summary of the decision will be given**, which is to be considered as provisional and subject to amendment or correction in the detail, until the formal decision is issued in writing.

HEARING FORMALLY CLOSED

Agenda Item 5

Licensing & Regulatory Committee
17 April 2018

Agenda item: 5
Application for a PremLic

REPORT OF:	HEAD OF HEALTH & WELLBEING
AUTHOR:	DIANNE MITCHELL
TELEPHONE:	01737 276804
E-MAIL:	Dianne.Mitchell@reigate-banstead.gov.uk
TO:	LICENSING & REGULATORY COMMITTEE
DATE:	TUESDAY APRIL 17 TH 2018

AGENDA ITEM NO	5:	WARD(S) AFFECTED:	REIGATE CENTRAL
-----------------------	-----------	--------------------------	-----------------

SUBJECT:	APPLICATION FOR A NEW PREMISES LICENCE FOR REIGATE PRIORY PARK, BELL STREET, REIGATE RH2 7RL
PURPOSE OF THE REPORT:	TO DETERMINE THE APPLICATION FOR A PREMISES LICENCE

OPTIONS

The Committee has the following options:

1. To grant the licence subject to such conditions as are consistent with the operating schedule accompanying the application, modified to such extent as the authority considers necessary for the promotion of the licensing objectives.
2. To exclude from the scope of the licence any of the licensable activities to which the application relates;
3. To refuse to specify a person in the licence as the premises supervisor;
4. To reject the application.

The Committee has authority to determine the above options.

Background

1. An application for a premises licence has been received from Greenspaces, Reigate and Banstead Borough Council to license an area in Priory Park for up to 4,999 people. The application and location plan showing the proposed licensed area and the proximity of adjacent roads is attached at Annex 1.
2. The Licensing Sub-Committee Hearing Rules, last amended on 6 March 2008, state that Council applications for premises licences will be decided by the full Licensing Committee.

Application Summary

3. The application requests authorisation for the following activities and locations during the hours shown in the table below:

Activity	From Monday	To Sunday	Location
Plays:	10:00 hrs	22:30 hrs	Indoors and outdoors. For the avoidance of doubt, indoors will be within a tent/marquee or similar
Films:	10:00 hrs	22:30 hrs	
Live Music : No more than 10 events during each annual licence period (including recorded music)	10:00 hrs	22:30 hrs	
Recorded Music :	10:00 hrs	22:30 hrs	
Performance of dance:	10:00 hrs	22:30 hrs	
Anything of a similar description (to music, dance):	10:00 hrs	22:30 hrs	
Sale of Alcohol:	10:00 hrs	22:30 hrs	On and off the premises
Opening Hours:	10:00 hrs	23:30 hrs	

4. There are no detailed plans in the application showing the layout for an event. The applicant has advised that each event will be unique but subject to the requirements as laid out in Section M of the application. This includes a requirement for the event organiser to submit all plans and documents as requested (which include an Event Management Plan and Event Safety Plan) to the Council's Safety Advisory Group for approval, at least 3 months prior to the event, unless agreed otherwise.
5. Personal licence details of the proposed Designated Premises Supervisor (DPS) are to be confirmed. A mandatory condition, which will automatically be attached to the licence, will require that no supply of alcohol may be made at a time when the DPS does not hold a personal licence
6. Council officers are satisfied that the application has been correctly made and advertised according to the following statutory requirements:
- pale blue notices of no less size than A4 containing a brief summary of the application to be placed around the boundary of the premises where it abuts the highway
 - a notice to be published within ten working days of the application being made, in a newspaper circulating in the local area
 - key details of the application to be published on the Council website during the consultation period

Representations.

7. In total three valid representations were received from interested parties in respect of this application. The relevant parts of the representations refer to

potential noise nuisance due to volume and frequency of events. The representations are reproduced in full at Annex 2.

8. A representation was also received from the responsible authority for environmental protection advising that the application for live and recorded music had the ability to cause public nuisance. This representation is included at Annex 3.
9. A further ten invalid representations were received. Three of these confirmed their objection to the application, and seven were in support. In the spirit of openness and transparency, these representations have been included at Annex 4. The Committee are reminded to attach appropriate weight to these representations in their decision making.

Mediated conditions

10. The applicant has agreed with the responsible authority for environmental protection to amend the conditions relating the prevention of public nuisance. The proposed amended conditions are more stringent than the original and have been taken from the Code of Practice issued by the Noise Council on Environmental Noise Control at Concerts, where it is proposed to hold between four to 12 concert days per calendar year. The mediated conditions are as follows;
 - Music Noise Levels shall not exceed the background noise level by more than 15 dB(A) over a 15 minute period.
 - If the Music Noise Level exceed the background noise level by more than 15 dB(A) over a 15 minute period the person monitoring the sound levels will have the authority to direct appropriate action to be taken to reduce the sound levels to below 15 dB(A) above the background at the nearest noise sensitive properties during the events.
 - Sound checks: Members of the Environmental protection team shall be invited to be present to ensure that sound levels are set such that they do not exceed the background noise level by more than 15 dB(A) over a 15 minute period.'

Policy and Legal Considerations

11. Relevant to this application are section 8 of the Council's Statement of Licensing Policy – The Licensing Objectives. Section 149 Equality Act 2010 - Public Sector Equality Duty, Human Rights Act 1998. Licensing Act 2003; Part 2 Licensing Authorities (sections 4-6); Part 3 Premise Licences (sections 11-23); section 182 Home Office guidance; section 183 Hearings and other matters considered relevant on the facts.

Appeals Procedure

12. In cases where an application for a premises licence is either rejected or granted, in full or in part, an appeal may be made to the Magistrates Court within 21 days beginning with the day on which the appellant was notified of the decision. The rights of appeal are available to both the applicant, in cases

where the application is rejected, and to persons who made relevant representations in cases where the application is granted.

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

All events will be fully managed in conjunction with Reigate & Banstead Borough Council's SAG process who may give permission for the event to go ahead unless the Responsible Authorities state otherwise.

Each event in Priory Park is unique. All plans and documents requested must be submitted by the event organiser to the Responsible Authorities and SAG for approval at least 3 months prior to the event, unless agreed otherwise.

Environmental Protection at Reigate & Banstead Borough Council will determine during the SAG process which events must deliver to local residents a letter informing them of the event, no later than 7 days and no earlier than 28 days before each event. They will determine which addresses must receive the letter. The letter must include:

- The proposed event
- The mobile telephone number that will be manned during the event so that residents can contact the responsible person, and
- Details of the licensing conditions relating to noise control

A copy of the letter shall be sent to Environmental Protection at Reigate & Banstead Borough Council 28 days before the event, unless agreed otherwise.

No fireworks or other pyrotechnics shall be used other than with the prior written consent of the Licensing Authority.

At events where there is the supply of alcohol, a refusal/incident register shall be kept at the premises by the event organiser. It shall record the date and time of the refusal/incident, details of the product/nature of the incident, name of the individual(s) involved, action taken, and the name of any person involved. The register shall be kept up to date and on the premises at all times, be reviewed regularly by the event manager and made available for inspection on request by officers of the Licensing Authority, Police and Surrey County Council Trading Standards.

When the sale of alcohol and regulated entertainment takes place, at least 2 SIA door supervisors must be employed for the duration of the event, and shall increase at a ratio of 1:100 customers on the premises. A register of door supervisors employed will be maintained. This register will record their name, SIA licence number, contact details and be signed by the door supervisor as well as a member of the event management team.

The event manager shall ensure that all staff engaged in the sale of alcohol, before being allowed to make sales of alcohol shall undergo training in:

- The procedures to be used for checking that purchases of alcohol are over the age of 18 years. This shall include requesting and checking photographic identification, which is recognised in the Home Office guidance, from anyone who appears to be under the age of 25 years and that sales will not be made unless this evidence is produced satisfactorily. If there is any doubt to the person's age, staff will be trained to politely refuse service and record the incident in the register of refusals.
- The legal requirements under the Licensing Act 2003 relating to sales of alcohol including refusals of service to persons who appear to be drunk and not allowing disorderly conduct on premises, as well as proxy sales. Written training records shall include details of the names of staff trained, date of training, a summary of matters covered in the training, and a signature of the event organiser confirming that training has been undertaken. Records shall be made available promptly for inspection on request by officers of the Licensing Authority, Police and Surrey County Council Trading Standards.

A Personal Licence Holder shall be on site to oversee the sale of alcohol for the duration that bars are trading. They must produce in writing a list of staff that are authorised to serve alcohol. This must be made available for inspection on request by officers of the Licensing Authority and Police.

b) The prevention of crime and disorder

A detailed Event Management Plan (EMP) must be submitted to Surrey Police and the SAG prior to approval of any event. EMP must include:

- A comprehensive risk assessment relating to crime and disorder
- Details of security and stewarding for the entire duration of the event
- A site admission policy
- A drugs and alcohol policy
- A traffic plan for the duration of the event
- Any other plan or policy required by the SAG with the aim of preventing crime and disorder

c) Public safety

A detailed Event Safety Plan (ESP) must be submitted to the Responsible Authority for Health and Safety, Surrey Police, Surrey Fire & Rescue and the SAG prior to approval of any event. ESP must include:

- A comprehensive risk assessment related to public safety for the duration of the event, this should include the control of fire risks
- First aid and medical cover throughout the event
- Full details of any structures and their sign off
- Emergency and evacuation procedures
- Safe ingress and egress of persons visiting the site
- An admission policy detailing the controls in place to ensure that the maximum permitted number of persons on the licence (4,999) is not exceeded
- Any catering provision or concession engaged must have a Food Hygiene Rating Scheme rating of four or five from their relevant local authority
- A suitable number of toilet facilities shall be provided and checked by staff regularly, as recommended in 'The Purple Guide'.
- Any other plan or policy required by the Responsible Authorities or SAG with the aim of promoting public safety

The event organiser shall ensure they are provided with copies of risk assessments from all suppliers before the event which should be incorporated into the EMP, which will include but are not limited to the stage and marquee suppliers.

Details of any food stalls shall be provided to Environmental Protection at Reigate & Banstead Borough Council no less than two weeks prior to the event taking place.

d) The prevention of public nuisance

Music noise levels shall not exceed 65 dBA measured as a 15 minute LAeq over any 15 minute period when measured at or close to the boundary of any residential premises to which the organisers are allowed access.

Where live or recorded music is the main provision at the event, the event organiser will employ the services of a suitably qualified person to undertake noise measurements at the (accessible) boundaries of noise sensitive properties for the duration of the event. This will entail the measurement of noise levels in such a way that potential breaches of the 15-minute condition can be identified before they occur and corrective action taken to prevent a breach. The person undertaking these measurements will be able to immediately contact the person in control of the noise levels from the loudspeakers. Details of the consultants shall be included in the EMP.

If the sound levels exceed 65 LAeq (15 minutes) the person monitoring the sound levels will have the authority to direct appropriate action to be taken to reduce the sound levels to below 65 LAeq (15 minutes) at the nearest noise sensitive properties during the events.

A written record of noise complaints received arising from activities at the premises shall be kept in a log book. A named person at the event will be responsible for managing this and will have an allocated telephone number, the details of which must be informed to the Local Authority's Licensing Department

not less than seven days prior to the event. This person will be contactable throughout the duration of the event and such number will be provided to all the emergency services, the Licensing Team, the Environmental Protection Team and the Council's Emergency Call-Out Service prior to the event. A complaint from the public shall be channelled through the services as listed and appropriate responses from the organisers will be made directly to the public. This record shall include:

- Name and address of the complainant
- Complaint details and time of complaint
- Details of persons who undertook investigation of complaint and the nature of that investigation
- Any action taken as a result of the complaint
- Details of feedback to the complainant

Between 23:00 hours and 09:00 hours no generator will be audible within any room of any noise sensitive premises, with the windows left open for normal ventilation. The test for compliance of this condition is that the noise will be no more than barely audible outside any noise sensitive premises. Environmental Protection at Reigate & Banstead Borough Council will inform during the SAG process if only super-silenced generators must be used.

Events with the provision of live or recorded music must conduct a sound check on a date and time to be agreed with the Licensing Authority. Members of the Environmental Protection Team shall be invited to be present to ensure that sound levels are set such that they do not exceed 65 LAeq (15 minutes). The Environmental Protection Team will be provided with at least 48 hours' notice of the time of the intended sound check.

"Noise sensitive premises" includes premises used for residential purposes, hospital and similar institutions, education establishments (when they are in use), places of worship and any premises used for any other purposes likely to be affected by the music.

For the avoidance of doubt 'noise' is defined as any music amplified or otherwise and any amplified vocal noise.

No handling of goods or materials, which is audible from beyond the site boundary, shall be carried out at the premises between the hours of 23:00 hours and 09:00 hours. This shall particularly include operations such as putting bottles into waste and the erection/dismantling of stage and funfair.

Litter will be removed from the site throughout the duration of and after the event.

The EMP shall include details on waste management.

Adequate toilet provision for the size and nature of the event, cleaning and waste disposal shall be detailed in the EMP.

The event organiser will comply with any other requirements of the Responsible Authorities or SAG in relation to the prevention of public nuisance.

There should be no more than 10 events during each annual licence period with the main provision being live music or recorded music.

e) The protection of children from harm

In addition to the requirements placed on licensed premises by LA2003, event organisers shall have regard to the guidance provided by Surrey CC Children Safeguarding Unit for the protection of children from harm and provide and comply with a Children's Safeguarding Policy for their event which demonstrates:

- That applicants have familiarised themselves with the principles of 'Working Together to Safeguard Children 2015' or any subsequent updated guideline.
- That staff, volunteers and stewards will be facilitated and supported in attending any training on Child Protection and Safeguarding where suitable.
- Any other requirements of the SAG relating to the protection of children from harm.

All events must be suitable for a family audience.

The drugs and alcohol policy within the EMP should detail the measures to prevent under age sales or consumption at the event and age verification procedures relating to admission and age restricted sales (such as Challenge 25).

Suitable measures will be put into place to reunite lost children with their parent(s)/guardian and should be detailed in the EMP. These will include where suitable the ability to make amplified announcements and a centralised information/meeting point.

Notes for Guidance

1. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
3. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, each of the applicant or their respective agent must sign the application form.
13. This is the address which we shall use to correspond with you about this application.

Comments - There has been virtually no publicity for this application. Even the Surrey Mirror and my local Councillor were not aware of it until I telephoned. On visiting the Town Hall it was not possible to see the details. Following this visit, a call to your help desk resulted in them being unable to access the details. They had to ring back sometime later with access details. I strongly recommend that consideration of this application be deferred until such time as there has been adequate publicity and interested groups and members of the public have had the opportunity to respond.

I consider it totally inappropriate for the Park, with its Green Flag award and being the jewel in the crown (to quote one Councillor) to be granted a live entertainment and alcohol licence for 365 days a year from 10.00am to 10.30pm. With such a blanket licence, the decision for individual events may be made on a more relaxed criteria than would have been applied by the Council to the individual licence application.

The blanket licence may result in many more events as a result of the simplification of the process to the detriment of the Park and to those who use the Park for quiet and peaceful recommendation.

The 365 day licence may also result in safeguards and considerations which would have applied to an individual application not being fully appraised and evaluated by the Council's licensing department.

The Council does not have the means to measure, and therefore effectively control the volume of noise at events. All applications should demonstrate how noise will be controlled and provide clear information as to who is responsible for this control and, most importantly, how that person can be contacted throughout the event in question. It is quite useless for the contact number to be the Town Hall when events run over weekends, Bank Holidays and late into the evenings. A complainant must be able to contact the responsible person during the event.

The proposals for the 365 day, alcohol and live entertaining licence, run contrary to the understanding that the Park is an inviolate area of green space offering simple recreational amenities and outdoor activities for all.

Should it be suggested that a 365 day licence, if granted, will not lead to an intensification of the use of the Park, then it should be questioned as to why such a licence is being applied for.

The hours that alcohol would be permitted under the terms of this application are excessive (from 10.00am!). Should the application be granted, the serving of alcohol should not be permitted before noon.

I urge the Council to turn down this application.

Dear Sirs

Licensing Application by Greenspaces Ltd for Priory Park

I do not support this application as it stands since:

- it, de facto, encompasses two applications: one, for day-long alcohol sales every day of the year and, two, for a wide variety of non-open air recreational events for up to 5,000 people - all in an important high value recreational area, an asset which is already under pressure from existing user groups. We are expected to approve the one and, by default, also the other.
- it runs contrary to the supposition that the park is an inviolable area of green space affording simple recreational amenity and outdoor activities, available to all
- the intrusive nature (numbers, duration, noise) will have significant impact on existing groups of leisure users and on nearby residents.
- on the face of it there is a measure of conflict of interest if alcohol is freely sold, taking custom from nearby licensed premises from whom the Council takes business rates.

I do not believe that adequate consultation has taken place. Indeed I do not feel that adequate publicity has been given to the application - 2 unobtrusive notices within the park is all I have seen and, furthermore, the Council's website is unhelpful in the extreme in tracking any description of the intent of the application down. In essence, there has been an absence of transparency of intent. The very fact that the advertised application is made in the name of Greenspaces Ltd without identifying that this is actually the Council itself reflects this.

Were the Council to withdraw this application and, initially at least, apply only for a much more limited range of events with many fewer people in fewer, less space intensive locations and (most importantly) limit the number of days on which alcohol sales will be available and were it to make this information readily available and publicize it, then it would have met normal democratic requirements and park users could see how the whole thing is managed. As it stands it is unacceptable and could be seen as a means of gradually selling off the park.

Yours sincerely

(Mrs) Anne Morrow

Wants to - Object to the Proposal

Comments - This application is, we understand, intended to avoid the submission of a licensing application for each entertainment and alcohol served event within a significant area of Priory Park. It does so by means of obtaining a 365 day license.

There will, we understand, still be a monitored SAG process, and event applications will need to be submitted for approval at least three months prior to the event. Members of our Association have asked us to determine the difference between the standards and criteria to be applied in deciding whether an application should be approved by the SAG on the one hand, and those normally applied by the Council's Licensing Department on the other, and despite enquiry, we have been unable to answer their questions. Until those questions are answered, the Association has no alternative but to object to this proposal. We welcome the reassurances we have received that any intensification in the use of Priory Park as an entertainment venue is not planned, but many residents are alarmed at the abrogation of a licensing process which gives consideration to each planned event.

The main preoccupation with our members is with noise. None of our members is really qualified to determine whether 65 decibels is a reasonable limit. We are, however, all aware that Park Lane is surrounded by club venues (Old Reigatians, The Cricket and other Sports Clubs) and whilst everyone living here recognizes that they should tolerate the odd musical event and that people are entitled to enjoy themselves, the frequency of events at which amplified music is played is increasing. We believe that some consideration should be given to the fact that Priory Park is surrounded by residential properties and to the primary purpose of the Park. The stone erected at the top of the Park to commemorate its donation to Reigate Corporation by Mr and Mrs Randall Vogan requires Priory Park to be preserved in its natural beauty and for the use and quiet enjoyment of the Public?.

The concerns of this Association, which represents many households immediately adjacent to the Park, are that:

(a) whether local residents are informed of impending events is at the discretion of the Environmental Protection Team at the Council. Local residents will only have the mobile telephone details of the responsible person at the event and any licensing conditions relating to noise control at the event if the Environmental Protection Team decide to issue a letter;

(b) the measures set out to achieve the four licensing objectives are deficient because:

1. Whilst each Event Management Plan must include a site admission policy, this makes no sense in the context of a public park accessible to all;

2. The proposals to limit excessive noise levels are ineffective, because they rely on the event organiser employing a named person at the event to undertake noise measurements. The events will be entirely self-policed. The maintenance of a log book by such person recording complaints does not permit immediate action to be taken to meet local residents' complaints about excessive noise, merely an enquiry after the event. In addition, there seems little point in identifying a person at the event to whom logged complaints may be made if, as noted above, his/her telephone number is made available only to the Council's Licensing Department. There should be a telephone contact point which is advised to all local residents for all events at which amplified music is to be played. One of the main concerns of residents is their inability to do anything about excessive noise during events, when Council offices are understandably closed for the weekend or evening.

3. The means to achieve the four licensing objectives include the policy that there should be no more than 10 events during each annual License period with the main provision being live music or recorded music. 10 events is excessive, particularly if concentrated, as one would expect, during the summer months. Priory Park is both a historical site of special interest and a site of special scientific interest and those seeking to enjoy its tranquility will be ill served by the frequency of such events. This Association believes that 5 such events should be the limit, and that if a limit is to be imposed it should be couched in mandatory language ('will') rather than using the word 'should' which is intrinsically imprecise;

4. The proposed license permit's the sale of alcohol from 10 am. This seems to us to be far too early in the day. At the very least, we would not expect alcohol to be served until after 12 noon.

5. So far as we can determine, the status of the Pavilion- the only fixed structure in the Park serving refreshments-is inchoate. In fact, the territorial extent of the licence appears unclear. The Application clearly refers to the licence as extending to 'the Grounds of Priory Park', whilst the associated map on the website seems to cover a more restricted area to the west of the Priory building. What is the scope of this licence? If it extends to the Pavilion (which is within the grounds of Priory Park), it is not thought appropriate that the Pavilion should be selling alcoholic drinks from 10 am or even 12 pm- or at all. If the Map attached to the application is definitive of the scope of the application, the concern expressed in this paragraph 5 disappears.

Our Association values the work done by the Council and its employees, in financially straightened circumstances, to maintain Priory Park to its current standards. We have great admiration for those who tirelessly work to ensure that the Park is properly managed and clear of litter. For all the reasons above, however, Park Lane Residents' Association objects to this application.

Dear Mrs Mitchell,

**Licensing Act 2003. Application for a Premises Licence.
Priory Park, Bell Street, Reigate, Surrey**

As a responsible authority as defined in section 13(4)(e) of the Licensing Act 2003 we hereby make representation in respect of the premises known as Priory Park, Bell Street, Reigate, Surrey

The reason for making representation is that the proposed licence in respect of the live and recorded music have the ability to cause public nuisance and the operating schedule does not contain sufficient measures to promote the licensing objectives.

Yours sincerely,

Christine Rogers

Dear Sirs
Re, application for Alcohol License Priory Park

I wish to strongly object to the granting of a license to Greenspaces Reigate and Banstead. I am a ratepayer and daily morning user of Priory Park, and witness first hand the remains of discarded, often smashed, alcohol bottles, plus other litter, in all areas of the Park, and the accompanying vandalism that definitely is associated with this uncontrolled drinking, which us users have to endure in the mornings after most summer evenings ..
To make even easier access to alcohol, actually in the Park itself, beggars belief.
Since the Park was refurbished some ten years ago, or so, there has been a steady deterioration, year on year, due entirely to a lack of management and monitoring by the Parks Department, part of which is the vandalism associated with alcoholic drinking.
This drinking and vandalism is a cost to Ratepayers, and is a public nuisance.

I trust that you will refuse this application.

Yours faithfully

14th March 2018

Dear Sirs,

The Reigate Society has considered the Application for a New Premises Licence at The Grounds of Priory Park as posted publicly and dated 21st February 2018.

We wish to object to the application because, if granted, the license would have no time limit. We think that any such application/license should sensibly be limited (at least initially) to a maximum period of 2 years. If unexpected issues do arise as a result of the licensed activities then this would allow any future applications to properly take account of these.

It appears that the current application is some type of 'umbrella' license for activities in the Park and we assume that future 'event-specific' licenses for individual events would still be required (and advertised). If this is the case then we have no further comment. If this is not the case then we further object to the application since we find it, on its own, to be too far-ranging and non-specific.

Yours faithfully,

Michael C. Doughty

Chairman

Comments - Reigate Business Guild supports this application as we feel that a greater variety of event could be produced in Priory Park: The Park is a great asset to the town and is a popular venue for the towns people. We would support any event that attracts people to use the facility and support other businesses within the town centre, as long the events are well managed and suitable parking provision is provided. The Summer music night were great examples of a more diverse use of the park and more events like this would greatly appeal to the general users of the facility.

Wants to - Object to the Proposal

Comments - I object to the application for the following reason;

1. There is no reason given why Reigate and Banstead Borough Council wishes a blanket licence for all future events in the park. What is driving this? There is no explanation at all to this effect. Why is this fundamental issue of granting a licence not being part of the application? Therefore this application should be declined on the lack of information.
2. Should the Licensing authorities agree to this application a detailed action plan should be submitted prior of its approval, on how the Council (as principal license holder) is approving and administrating the sub-issue of a licence to an applicant.
3. The Hours given in the application is for a Liquor Licence from 10am until 10.30pm. I think this is wrong. In the event a licence is being granted it should be from 12 noon to 10.30pm.
4. Cafeteria Pistachio; as the Cafeteria is within the boundary of the application could a licence be granted by R&B to change it into a pub?
5. The Council is already stretched in the physical upkeep of running the park, see the state of the greenspace where the ice rink stood 3 months ago (Surrey Mirror, March 15th 2018, page 9) as well as the miserable state of the park from Park Lane along the boundary with Morrisons including the open cage refuse area which is an absolute disgrace. By issuing R&B with the responsibility of holding a Liquor Licence the parks administration department will grow, with the effect that the physical upkeep of Priory Park will even more decline.

Comments - Re: Licence Application Reference: 18/00197/LAPRE

Dear Sir/Madam

I wish to express our support for this new licence application.

Since our launch in 2014, Run Reigate has grown every year to become the largest community event in Reigate & Banstead with 16,740 people taking part to date, including 2,500 children. The event, held in September each year in Priory Park, has raised over £700,000 for local charities in the area and in 2017 won Gold for best Half Marathon in the UK, beating all the major established UK running events.

None of this would have been possible with the assistance, guidance and foresight of the Council, when we originally approached them with the concept, and every year since then. Events in and around the town generate a huge amount of goodwill, footfall with associated revenue for the local economy, and helps put Reigate on the map especially when so many other places in London and around the UK host major events. With the superb facilities and location of Priory Park, Reigate needs to be able to compete for and win the right to host appropriate events. Reigate & Banstead needs more events to attract people, revenue and interest in the area and this application will help facilitate exactly that.

We fully support this application for all of the above reasons. Should you have any comments or queries, please feel free to write to me at the address below, or please just email me personally: [REDACTED]

Thank you

Kind regards

David Kelly
Race Director

Comments - Priory Park is a great public space which supports the community of all ages. I believe that a license allowing more events will not only open this space to those who don't normally use it, but will bring in revenue to the local area by visitors using the many restaurants, hotels and other businesses in the vicinity.

Comments - Priory Park is a great asset that can be used for Reigate residents for a whole range of activities and entertainment. It should be used more widely for events for the local community but also to attract people from further afield, bringing investment into Reigate.
