32. PROJECT BASEBALL CLOSURE, NOVEMBER 2022

The Executive Member for Investment and Companies, Councillor Archer, introduced the report, which sought to formally record the Council's operational decision to close Project Baseball.

An opportunity for the Council to bring forward the development of a crematorium facility in the borough was identified and a proposal was presented to the Commercial Ventures Executive Sub-Committee in December 2019. The recommendation to approve the funding required to undertake the feasibility activities was subsequently supported by the Council.

In September 2021 the planning application associated with the project was refused by Planning Committee, and having investigated potential options post-refusal, it was established that under the circumstances, all proved unviable. As such, it was agreed that project closure should be investigated.

The purpose of the report was to provide an account of the project's performance, and how it was anticipated to support the delivery of the Council's Corporate Plan objectives.

The recommendation was to note that the project should follow the Council's internal project closure process.

Agenda Item 2

Commercial Ventures Executive Sub-Committee
17 November 2022

Minutes

The Executive Member commended the recommendations for approval by the Executive Sub-Committee, and upon a vote it was –

RESOLVED to note the operational decision to formally close Project Baseball.

33. ASSET MANAGEMENT PLAN 2023-2028

The Executive Member for Investment and Companies explained that the Council's Asset Management Plan formed part of a suite of plans and strategies that supported the delivery of the Corporate Plan.

The use of property impacted on every aspect of the Council's activities, and it was therefore important that the Council took a holistic view of its assets and adopted a co-ordinated approach to asset management, in order to ensure that the Council's assets were:

- effectively and efficiently managed;
- safe and fit for purpose; and
- able to meet the needs of the Council's operational services and service users.

The updated Asset Management Plan was re-written for the current Corporate Plan period, and it provided a framework to meet the Council's property objectives in the context of its other plans and strategies, including the:

- Commercial Strategy;
- Medium Term Financial Plan;
- Capital Investment Strategy; and
- Environmental Sustainability Strategy.

The Executive Member commended the recommendations for approval by the Executive Sub-Committee, and upon a vote it was –

RESOLVED to approve the Asset Management Plan 2023 – 2028 to form the Council's framework for future property asset management and development decisions.

34. FUTURE OPERATION OF COUNCIL-OWNED CAFE PREMISES

The Executive Member for Investment and Companies, Councillor Archer, introduced the report, which proposed to lease-out three Council-owned park cafés on a full repairing and insuring lease basis, as the originally expected benefits of the contract were not being achieved.

The proposals concerned the Council-owned cafés in Priory Park in Reigate, Memorial Park in Redhill and at the Lady Neville Recreation Ground in Banstead.

The occupiers would operate their own businesses and pay the Council rent as a tenant, with the Council having no responsibility for the maintenance of the properties or the day-to-day operation of the café businesses.

This would result in revenue budget expenditure savings and an increased income stream and would better align their operation with the Council's financial and corporate objectives.

Visiting Members requested access to the exempt papers and the committee resolved to share this information following the meeting.

The Executive Member commended the recommendations for approval by the Executive Sub-Committee, and upon a vote it was –

RESOLVED to approve a phased programme of marketing and re-letting of the three Council-owned cafe premises at Priory Park, Reigate, Memorial Park in Redhill and the Lady Neville Recreation Ground in Banstead in order to secure a more sustainable income stream.

35. GREENSAND HOLDINGS LIMITED - FUNDING REQUIREMENT

This item was withdrawn as all the relevant information had not been received at the time of the meeting. A full report would be presented to a future meeting of the Sub-Committee in due course.

36. PARTNERSHIP ACTION - HORLEY BUSINESS PARK DEVELOPMENT LLP

The Executive Member for Investment and Companies, Councillor Archer, introduced the report which recommended that the Sub-Committee, as Partner Representative for Horley Business Park Development LLP:

- 1) Received and reviewed the Company's Annual Report and Financial Statements for the year ended 31 December 2021 and direct the Council's Board Representatives to approve them.
- 2) Directed the Council's Board Representatives to approve the re-appointment of Moore Kingston Smith LLP as auditor for the Company for the year to 31 December 2022; and
- 3) Authorised the Council's Board Representatives to the Company to fix the auditors' remuneration for the year to 31 December 2022, as set out in the exempt Part 2 of the agenda.

Agenda Item 4

Reasons For Recommendations
Charities registered in England or Wales must send an annual return to the Charity Commission or report their income and spending every year.
Executive Summary
<p>The Council is sole trustee for seventeen charitable trusts:</p> <ol style="list-style-type: none">1. Churchfields Bowling Green and Public Rest Ground2. Colesmere Road Recreation Ground3. Earlswood Public Recreation Ground4. Furzefield Crescent Open Space5. Hartswood Estate Open Space6. Manors of Reigate and Horley Public Open Spaces7. Memorial Sports Ground8. Merstham Public Park9. Reigate Public Baths Trust17. The Gatton Fund
The Partner Shareholder Trustee Executive Sub-Committee has the authority to approve the above recommendations.

Statutory Powers
<ol style="list-style-type: none">1. Section 1 of the Localism Act 2011 gives local authorities a general power of competence that enables them to do anything that a private individual is entitled to do, as long as it is not expressly prohibited by other legislation.
Background
<ol style="list-style-type: none">2. The Charity Commission is the regulator for charities in England and Wales and each of the Council's charities are registered with the Commission.3. These charities are:

1. Churchfields Bowling Green and Public Rest Ground
 2. Colesmere Road Recreation Ground
 3. Earlswood Public Recreation Ground
 4. Furzefield Crescent Open Space
 5. Hartswood Estate Open Space
 6. Manors of Reigate and Horley Public Open Spaces
 7. Memorial Sports Ground
 8. Merstham Public Park
 9. Merstham Recreation Ground
 10. Old Town Hall
 11. Open Space and Ornamental Garden
 12. Open Space at Reigate Hill
 13. Queens Park
 14. Reigate Hill Drinking Fountain
 15. Reigate Park and Park Hill
 16. Reigate Public Baths Trust
 17. The Gatton Fund
4. Trustees have six main duties, these are:
- (i) To ensure a charity is carrying out its purpose for the public benefit;
 - (ii) To comply with the charity's governing document and the law;
 - (iii) To act in the charity's best interests;
 - (iv) To manage the charity's resources responsibly;
 - (v) To act with reasonable skill and care; and
 - (vi) To ensure the charity is accountable
5. The Council must establish a more effective way of managing its charities and in particular, to do so in a way that is clearly distinct from usual Council business. In its capacity as sole trustee of a charity, when taking decisions on behalf of the charity, the Council has a duty to act in the charity's best interests and to avoid any conflict between its duty to the charity and the interests it has in its capacity as the Council.
6. Inevitably, conflicts of interest may occur when the Council is a sole trustee. In these circumstances, the Commission expects the Council to have a system in place for identifying and managing conflicts of interest that arise because of its role as sole trustee of the charity and as the Council.
7. The Trustee Annual Report (TAR) helps people understand what its charities do, particularly potential funders and beneficiaries. Along with the Accounts, the report tells people:
- about the charity's work
 - where the charity's money comes from; and
 - how the charity has spent its money in the past year
8. As a trustee the Council must take steps to make sure that its charities money is safe, properly used and accounted for. The Council is responsible for overseeing its charities money.

Options

The Committee has two options:

Agenda Item 4

- (i) **Option 1: To approve the recommendations.** This is the recommended option for the reasons set out in this report.
- (ii) **Option 2: To do nothing.** This is not recommended because it will prevent submission to the Charity Commission by the 31st January deadline.

Legal Implications

9. Section 1 of the Localism Act 2011 provides local authorities with the power to do anything an individual may do, subject to several limitations. This is referred to as the 'general power of competence'. A local authority may exercise the general power of competence for its own purpose, for commercial purpose and/or for the benefit of others. In exercising this power, a local authority is still subject to its general duties (such as fiduciary duties it owes to its rate and local taxpayers) and to the public law requirements to exercise the general power of competence for proper purpose.
10. The Charity Commission has a set of objectives, two of which are most relevant to this report. The first is to promote compliance by charity trustees with their legal obligations in exercising control and management of the administration of their charities. The second is to promote the effective use of charitable resources.
11. One of the Commission's general functions is to identify and investigate apparent misconduct or mismanagement in the administration of charities and to take remedial or protective action in connection with misconduct or mismanagement in charities.

The Partner Shareholder Trustee Executive Sub-Committee will undertake a review of the charitable objects of each charity and update where necessary. The validation and modification of a charity's objects is governed by the Charitable Trusts (Validation) Act 1954.

Financial Implications

12. At 31 March 2022 the 17 charitable trusts held cash balances of £1,623k and assets valued at £703k.
13. Income receipts totalled £346,978 and expenditure totalled £346,978. They related to:
 - £2,187 - Interest on balances
 - £97,895 - Rent receivable
 - £246,895 - Grounds maintenance services received 'in kind'
14. Expenditure related to
 - £20,165 - Rent payable
 - £381 - Asset maintenance costs
 - £85,588 Contribution paid to the Council (comprising the rent received for the Old Town Hall to the council plus interest)
 - £240,844 Grounds maintenance charges
15. These sums are consistent with the amounts received and paid in previous years.
16. Trustee Annual Reports (TARs) and Annual Accounts are required for charitable trusts that generate more than £25,000 Income.

17. The Accounts and TAR require an Independent Examination and submission to the Charity Commission within nine months of the charities' financial year end.
18. TARs and Annual Accounts for the year to 31 March 2022 have been prepared by the Finance team for the following charitable trusts:
- (i) 204907 Old Town Hall
 - (ii) 305104 Manors of Reigate & Horley Public Open Spaces
 - (iii) 305107 Queens Park
 - (iv) 305109 Reigate Park and Park Hill
- Copies are attached at Annex 1.**
19. The Council's Legal & Governance Team has prepared the TARs and the Finance Team has prepared the Annual Accounts. They have also been subject to Independent Examination by an accountant in the Finance team.
20. They are now presented for review and approval by this Committee (on behalf of the Council, the trustee) and then submitted to the Charity Commission via its online portal by 31 January 2023.
21. The remaining 13 charities do not require preparation of a TAR or Annual Accounts, but the balances held do have to be reported to the Charity Commission by the 31 January 2023 deadline.
22. A summary of the balances held is attached at **Annex 2.**

Equalities Implications

23. Public authorities are required to have due regard to the aims of the Public Sector Equality Duty (Equality Act 2010) when making decisions and setting policies. The decisions recommended are not considered to have an impact under the Equality Act.

Communication Implications

24. There are no direct communication implications as a result of this report.

Risk Management Considerations

25. There are no direct risk management implications arising from the report

Environmental Sustainability Considerations

26. There are no direct environmental sustainability implications arising from this report.
27. Where decisions are made which affect the charities, the environmental implications of these decisions will be considered as part of the independent decision-making process in each case.

Policy Framework

28. The recommendations of this report are consistent with the Council's Policy Framework.

	benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2.3 EXPENDITURE AND LIABILITIES				
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Redundancy cost	The charity made no redundancy payments during the reporting period.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Deferred income	No material item of deferred income has been included in the accounts.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2.4 ASSETS				
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least <input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	They are valued at cost.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
	The depreciation rates and methods used are disclosed in note 9.2.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
	They are valued at cost.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
	They are valued at cost.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The charity was established in 1922 to ensure the continuing provision of public open spaces. This Constitutes the following pieces of land:-</p> <p>--Redhill Common, Reigate Heath, Pettridge Wood, Wray Common, Earlswood Common, Banstead Wildlife Field.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The pieces of land were donated in 1922 by Lord Somerset for the benefit of the people of the local area. No money was donated, however, over the years pieces of the land have been sold off or sold for granting rights of way.</p> <p>As such there is now a fund balance for these lands which holds all the sales receipts. The interest from this fund contributes towards the maintenance.</p> <p>The funds are held by the Council largely to ensure the continuing provision of specific areas of land and other facilities for use by the public.</p> <p>This charity holds money in trust for the upkeep of the land, deriving from past sales of parcels of the land (see above). This money generates interest which is then used to fund the upkeep of the land. It is our policy not to use the amount held in trust for expenditure, just the interest. Current balance is £778,765.</p> <p>Activities undertaken relate to the maintenance of the land, as well as the generation of rental income coming from the use of the land which further pays for general upkeep and maintenance. Maintenance activities also aim to improve the biodiversity of the sites and, where</p>

		<p>appropriate conserve historic features on the sites.</p> <p>The trust funds are held and reported separately from Reigate & Banstead Borough Council's own funds, which is detailed in the Financial Statements 2021-22.</p> <p>The money generated through interest does not cover the cost of work required to maintain the pieces of land. The additional costs are borne by Reigate & Banstead BC.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The charity trustees have complied with their duty of public benefit; in as much the land mentioned has been maintained, conserved and open for general public use.

SUBJECT	Companies Performance Update – Winter 2022
----------------	--

Recommendations
To note the Companies Performance Update – Winter 2022, as set out in the report. The Overview & Scrutiny Committee received this report at its meeting on 8 December 2022 and their observations, for consideration by the Partner, Shareholder and Trustee Sub-Committee are set out in the Exempt report in the Part 2 section of this agenda.
Reasons For Recommendations
To consider the performance of companies owned or part-owned by the Council as of Winter 2022.
Executive Summary
This report provides an overview of the performance of the companies currently owned, or part-owned, by the Council. The operational companies currently consist of Greensand Holdings Limited, Horley Business Park Development LLP and Pathway for Care Limited. RBBC Limited is inactive and the Council has ceased to be involved in the management of Camelia Close (Tadworth) Residents Management Company Limited.

Agenda Item 5

The Council continues to review the future strategy for Greensand Holdings Limited with its Directors following recent changes to local government guidance on commercial investments, as set out in the exempt part 2 report.

Horley Business Park Development LLP is not currently considered to be performing in line with expectations.

The Council continues to attempt to obtain management information from Pathway for Care Limited in order to review its performance.

The Overview & Scrutiny Committee considered this report at its meeting on 8 December 2022 and its observations are set out in the Exempt report in the Part 2 section of this agenda with additional commercially sensitive supporting information.

Statutory Powers

1. Section 1 of the Localism Act 2011 gives local authorities a general power of competence that enables them to do anything that a private individual is entitled to do, as long as it is not expressly prohibited by other legislation. Section 4 of the same Act directs that anything which is done for purely commercial purposes should be done through a company structure.
2. Companies and LLPs are governed by the Companies Act 2006; The Limited Liability Partnerships Act 2000; and The Limited Liability Partnerships Regulations 2001 (as amended principally by the Limited Liability Partnerships (Application of Companies Act 2006) Regulations 2009).

Background

1. Local Authorities face ongoing financial challenges in recent years, due to a combination of reductions in central government funding and increasing demand on services in many areas. Whilst Reigate and Banstead Borough Council has maintained a generally strong financial position the pandemic has impacted income receipts, it remains essential for the Council to take action to ensure financial stability if it is to continue to deliver and maintain the high level of services it currently provides and has planned to continue to provide as part of the Corporate Plan 2020-2025.
2. Following a Commercial Governance Review in 2018, company activities have been overseen by the Commercial Ventures Executive Sub-Committee (now Partner, Shareholder and Trustee Sub-Committee).
3. These activities take place within financial limits set out as part of the Council's approved revenue budget and capital programme.

R S Michalowski

Directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable international accounting standards in conformity with the requirements of the Companies Act 2006 have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to the auditor

The directors confirm that:

- so far as each director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- the directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Small company special provisions

The report of the directors has been prepared taking advantage of the small companies exemption in Part 15 of the Companies Act 2006.

This report was approved by the board on September 2022 and signed on behalf of the board by

2 Adoption of new and revised standards

During the financial year, there were no new IFRSs or IFRIC interpretations that were effective for the first time that would be expected to have a material impact on the company.

The following pronouncements have been adopted in the year and either had no impact on the financial statements or resulted in changes to presentation and disclosure only:

- Extension to the COVID-19 Rent Related Concessions (Amendments to IFRS 16)
- References to the Conceptual Framework (Various Standards)
- Interest rate benchmark reform phase 2 (IFRS9, IAS39, IFRS7); effective 1 January 2021

At the date of authorisation of these financial statements, the following standards and interpretations relevant to the company, which have not been applied in these financial statements, were in issue but not yet effective:

- References to the Conceptual Framework (Amendments to IFRS 3); effective 1 January 2022
- Onerous Contracts – Cost of Fulfilling a Contract (Amendments to IAS 37); effective 1 January 2022
- Annual improvements to the IFRS 2018-2020 Cycle (Amendments to IFRS 1, IFRS 9, IFRS 16); effective 1 January 2022
- Property, Plant and Equipment (Amendments to IAS16); effective 1 January 2022
- Classification of Liabilities as Current or Non-Current (Amendments to IAS 1); effective 1 January 2023
- IFRS 17 Insurance contracts; effective 1 January 2023
- IAS 8 Accounting policies, changes in accounting estimates and errors; effective 1 January 2023
- IAS 12 Income taxes; effective 1 January 2023

The directors anticipate that the adoption of these standards and interpretations in future years will have no material impact on the financial statements of the company.

3 Significant accounting policies

Statement of compliance and basis of accounting

The financial statements have been prepared in accordance with UK Adopted International Financial Reporting Standards (IFRS), IFRIC interpretations and the Companies Act 2006 applicable to companies reporting under IFRS.

GREENSAND HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2021

3 Significant accounting policies - continued

Basis of accounting

These financial statements have been prepared on the historical cost basis as modified by the accounting policies below.

The preparation of financial statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

These financial statements are presented in pounds sterling because that is the currency of the primary economic environment in which the company operates and rounded to the nearest £.

The following principal accounting policies have been applied:

Presentation of financial statements in accordance with IAS 1

The financial statements are presented in accordance with IAS 1 Presentation of Financial Statements.

Revenue

Revenue is measured at the fair value of the consideration recoverable, net of VAT. The company's policy for the recognition of revenue from operating leases is described in the leasing policy below.

Leasing

The company as lessor

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant leases.

Investment properties

Investment property, which is property held to earn rentals and/or capital appreciation, is initially recognised at cost, including associated transaction costs, and subsequently at fair value at the balance sheet date. The fair value is based on market values as determined by professionally qualified external valuers. Gains or losses arising from changes in the fair value of the investment property are included in profit or loss for the period in which they arise. The acquisition of investment properties is recognised in the financial statements from the date of completion.

Inventories

Inventories comprise land and property held for development and resale, and are stated at the lower of cost and net realisable value. Cost includes all directly attributable expenditure necessary to bring the inventories to their existing condition and location. Costs are assigned by specific identification and include the cost of acquisition, subsequent development costs and borrowing costs during development. Net realisable value is determined by the directors.

Trade and other receivables

Trade and other receivables are recognised initially at fair value and subsequently at amortised cost. A provision for impairment of trade receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the effective interest rate. The amount of the provision is recognised in the statement of comprehensive income.

Cash and cash equivalents

Cash and cash equivalents at the end of the reporting period comprise cash at bank and in hand.

Trade and other payables

Trade and other payables are recognised initially at fair value and subsequently at amortised cost.

GREENSAND HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2021

3 Significant accounting policies - continued

Borrowings

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the statement of comprehensive income over the periods of the borrowings using the effective interest rate method.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Borrowing costs

Borrowing costs are recognised in profit or loss in the period in which they are incurred, unless they relate to a qualifying asset in which case they are capitalised and included as part of the cost of the qualifying asset at the year end.

Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on the taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of comprehensive income because it excludes items of income or expense that are taxable or deductible in other periods and items that are never taxable or deductible. The company's corporation tax liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that such taxable profits will be available, against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary differences arise from the initial recognition of goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the taxable profits nor the accounting profit.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case deferred tax is also dealt with in equity.

Accounting for financial assets and liabilities

The company's operations expose it to a variety of financial risks including the effects of changes in interest rates on debt, credit risk and liquidity risk. The directors consider that the company does not have material exposures in any of these areas and consequently does not use derivative financial instruments to manage these exposures.

The company's financial assets consist of trade and other receivables, and are summarised in note 4. Trade and other receivables are financial assets with fixed or determinable payments, none of which are quoted in an active market. After initial recognition these are measured at amortised cost using the effective interest rate method, less provision for impairment.

Receivables are considered for impairment on a case-by-case basis when they are past due at the balance sheet date or when objective evidence is received that a specific counterparty will default.

The company's financial liabilities include borrowings, trade and other payables which are measured at amortised cost using the effective interest rate method. A summary of the company's financial liabilities is given in note 4.

GREENSAND HOLDINGS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2021

3 Significant accounting policies - continued

Going concern

At the balance sheet date, the company has net liabilities of £2,193,137 and owes £15,048,118 to its shareholder. The directors have obtained written confirmation that the shareholder will continue to support the company for a period of at least 12 months from the date of approval of the financial statements. The directors, therefore, consider it reasonable for the financial statements to be prepared on a going concern basis.

4 Financial risk management

The company's activities expose it to a variety of financial risks: market risk, credit risk, liquidity risk and cash flow interest rate risk. The company's overall risk management programme focuses on the unpredictability of the marketplace and seeks to minimise potential adverse effects on the company's financial performance.

Risk management is carried out by the Board of Directors.

Market risk

The company is exposed to market risk, primarily related to interest rates and the market value of the investment property and the net realisable value of inventories.

Interest rate risk

The company monitors interest rate cash flow exposures on its long term borrowing. The company does not use derivative financial instruments to mitigate these risks.

Credit risk

The company's exposure to credit risk is limited to the carrying value of financial assets recognised at the balance sheet date, as summarised below:

	2021	2020
	£	£
Classes of financial assets - carrying amounts		
Cash and cash equivalents	40,813	113,228
Trade and other receivables	95,668	3,833
	<u>136,481</u>	<u>117,061</u>

The maximum exposure to credit risk in relation to trade and other receivables is equivalent to the year end balance.

The company continuously monitors the creditworthiness of tenants and other counterparties. The company's policy is only to deal with creditworthy counterparties.

The directors consider that all the above financial assets are not impaired at the reporting date under review and are of good quality credit, based on all available financial information.

The company is not exposed to any significant credit risk exposure to any single counterparty or any company of counterparties having similar characteristics other than those debtors which are disclosed in note 11. The credit risk for cash and cash equivalents is considered negligible since the counterparties are reputable banks with high quality external credit ratings.

5 Critical accounting judgements

Critical judgements in applying the company's accounting policies

In the process of applying the company's accounting policies, the following judgements have had the most significant effect on the amounts recognised in the financial statements:

Investment properties

The company holds investment property with fair value of £1,870,900 at the year end (see note 9). In order to determine the fair value of investment property the company has engaged independent valuation specialists with experience in the location and nature of the property being valued. They have used a valuation technique based on comparable market data. The determined fair value of the investment property is most sensitive to fluctuations in the property market.

Recoverability of inventories

Inventories of £10,879,800 (note 10) are stated at the lower of cost and net realisable value after taking into account all available information at the reporting date. The intention is to hold the inventories for development and at the balance sheet date they are not forecast to be realised in the short to medium term. The development project is still in its early stages, and this increases the estimation uncertainty as the total forecast development costs and ultimate net realisable value are subject to a number of uncertain future events including, but not limited to, the receipt of planning permission, the total build cost and fluctuations in the property market. The directors have obtained an independent, professional valuation of the development land at the balance sheet date to assist them in determining its net realisable value. Based on the stage of completion of the development, the directors are of the opinion that the current net realisable value of inventories is unlikely to be materially different from the independent valuation. This has resulted in an impairment of inventories of £101,348 being recognised in the Statement of Comprehensive Income during the year. The commercial viability of the development is kept under regular review by the directors to ensure that, so far as reasonably possible, inventories continue to be stated at the lower of cost and net realisable value.

Members' Report

For the year ended 31 December 2021

The members present their annual report and financial statements for the year ended 31 December 2021.

Principal activities

The principal activity of the Limited Liability Partnership ("LLP") continued to be the development of a business park.

Since the Balance Sheet date the members have taken the decision to close the Partnership and are now actively working together to settle all outstanding liabilities, ensure final accounts and tax returns are prepared and submitted and arrange for the Partnership to be closed down using the Solvent Liquidation Process. The Partnership is therefore not a going concern, as it will not be active twelve months from the date of the approval of these financial statements. Accordingly the members have prepared the financial statements on a basis other than going concern. There would be no material adjustments to the financial statements had they been prepared on a going concern basis.

Members' drawings, contributions and repayments

Each member's subscription to the capital of the LLP and its conditions for repayment are determined by the members' agreement.

Members capital is classified as a liability and on ceasing to be a member of the LLP, a member is entitled to a return of their capital.

Details of changes in members' capital in the year ended 31 December 2020 are set out in the Reconciliation of Members' Interests.

Certain members have also provided loans to the LLP in accordance with loan agreements and the members' agreement. The loans have been treated as a liability and included as 'members' capital classified as a liability' rather than as loans made to the LLP which would be included as creditors. The members' consider this accounting treatment more accurately reflects the substance of the loan transactions. The loans are repayable in accordance with the member's agreement. On ceasing to be a member of the LLP, a member is entitled to a return of any loan amount and interest which have not previously been repaid.

The availability of drawings is dependent on the cash requirements of the LLP. The member's agreement makes provision for certain members to receive development management fees and other service fees prior to the allocation of the remaining profits among the members. There is no requirement for the members to make good losses.

Designated members

The designated members who held office during the year and up to the date of signature of the financial statements were as follows:

Reigate & Banstead Borough Council
Berwick Hill Properties Limited
Millhill Properties (Horley) Limited

Auditor

The auditor, Moore Kingston Smith LLP, is deemed to be reappointed under section 487(2) of the Companies Act 2006.

Members' Report (Continued)

For the year ended 31 December 2021

Statement of members' responsibilities

The members are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008) requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice. Under company law (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008) the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the limited liability partnership and of the profit or loss of the limited liability partnership for that period. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the limited liability partnership will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the limited liability partnership's transactions and disclose with reasonable accuracy at any time the financial position of the limited liability partnership and enable them to ensure that the financial statements comply with the Companies Act 2006 (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008). They are also responsible for safeguarding the assets of the limited liability partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

Each of the members in office at the date of approval of this annual report confirms that:

- so far as the members are aware, there is no relevant audit information of which the limited liability partnership's auditor is unaware, and
- the members have taken all the steps that ought to have taken as members in order to make themselves aware of any relevant audit information and to establish that the limited liability partnership's auditor is aware of that information.

This report has been prepared in accordance with the special provisions relating to small LLPs within Part 15 of the Companies Act 2006.

Independent Auditor's Report

To the Members of Horley Business Park Development LLP

Opinion

We have audited the financial statements of Horley Business Park Development LLP (the 'limited liability partnership') for the year ended 31 December 2021 which comprise the Profit and Loss Account, the Balance Sheet, the Reconciliation of Members' Interests and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the limited liability partnership's affairs as at 31 December 2021 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the limited liability partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter- financial statements prepared on a basis other than Going Concern

As explained in note 1.2 to the financial statements, since the Balance Sheet date the members took the decision to close the LLP and are now actively working together to settle all outstanding liabilities, ensure final accounts and tax returns are prepared and submitted and arrange for the LLP to be closed down using the Solvent Liquidation Process. The members anticipate that the LLP will not be active twelve months from the date of the approval of these financial statements and so consequently, the financial statements have been prepared on a basis other than that of a going concern.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The members are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Horley Business Park Development LLP

Independent Auditor's Report (Continued)

To the Members of Horley Business Park Development LLP

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit; or
- the members were not entitled to prepare the financial statements in accordance with the small limited liability partnerships regime.

Responsibilities of members

As explained more fully in the Members' Responsibilities Statement, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the limited liability partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the limited liability partnership or to cease operations, or have no realistic alternative but to do so.

Horley Business Park Development LLP

Independent Auditor's Report (Continued)

To the Members of Horley Business Park Development LLP

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the limited liability partnership's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the members.
- Conclude on the appropriateness of the members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the limited liability partnership's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the limited liability partnership to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Horley Business Park Development LLP

Independent Auditor's Report (Continued)

To the Members of Horley Business Park Development LLP

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the limited liability partnership.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements applicable to the limited liability partnership and considered that the most significant are [the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008, the Limited Liability Partnerships SORP, and UK financial reporting standards as issued by the Financial Reporting Council]
- We obtained an understanding of how the limited liability partnership complies with these requirements by discussions with management and those charged with governance.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.
- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

This report is made solely to the Limited Liability Partnership's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 (as applied by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008). Our audit work has been undertaken so that we might state to the Limited Liability Partnership's members those matters which we are required to state to them in an auditor's report and for no other purpose. Notes to the Financial Statements

1 Accounting policies

Limited liability partnership information

Horley Business Park Development LLP is a Limited Liability Partnership incorporated in England and Wales. The registered office is Town Hall, Castlefield Road, Reigate, Surrey, United Kingdom, RH2 0SH.

The Limited Liability Partnership's principal activities are disclosed in the Members' Report.

1.1 Accounting convention

These financial statements have been prepared in accordance with the Statement of Recommended Practice "Accounting by Limited Liability Partnerships" issued in January 2017, together with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of Section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the limited liability partnership. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principle accounting policies adopted are set out below.

1.2 Going concern

Since the Balance Sheet date the members took the decision to close the Partnership. These financial statements have therefore been prepared on a basis other than going concern as the partnership is likely to be closed within a year from the date of approval of these financial statements. There would be no material adjustments to the financial statements had they been prepared on a going concern basis.

1.3 Members' participating interests

Members' participation rights are the rights of a member against the LLP that arise under the members' agreement (for example, in respect of amounts subscribed or otherwise contributed remuneration and profits).

Members' participation rights in the earnings or assets of the LLP are analysed between those that are, from the LLP's perspective, either a financial liability or equity, in accordance with section 22 of FRS 102. A member's participation rights including amounts subscribed or otherwise contributed by members, for example members' capital, are classed as liabilities unless the LLP has an unconditional right to refuse payment to members, in which case they are classified as equity.

Where members incur expenses on behalf of the LLP and then recharge those expenses to the LLP at cost, the costs are treated as administrative expenses and, if applicable, capitalised as work in progress. The recharged costs do not fall to be treated by the LLP as 'members' remuneration charged as an expense'. This accounting policy represents a departure from the SORP, which sets out the accounting principles of classifying amounts paid to members as 'members' remuneration charged as an expense'. The members consider that this accounting policy adopted represents the substance of the underlying transaction and is necessary in order that the financial statements give a true and fair view.

The profit and losses due to or from members, which have not been allocated until after the balance sheet date, are treated in these financial statements as unallocated at the balance sheet date and included within other reserves. In accordance with the members' agreement, there is no requirement for the members to make good any losses or negative balances on 'other reserves'.

1 Accounting policies

(Continued)

1.4 Stocks

Work in progress comprises the development of a new business park. It is valued at the lower of cost and estimated net realisable value of the completed project. Cost includes all direct costs.

Borrowing costs which are directly attributable to the work in progress project are capitalised as work in progress and carried forward as an asset on the balance sheet. In the year borrowing costs of £122,001 (2020: £87,254) were capitalised in work in progress.

1.5 Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.6 Financial instruments

The LLP only has financial instruments classified as basic and measured at amortised cost. The LLP has no financial instruments that are classified as 'other' or financial instruments measured at fair value.

1.7 Equity instruments

Equity instruments issued by the limited liability partnership are recorded at the proceeds received, net of direct issue costs.

1.8 Taxation

No provision has been made for taxation in the financial statements. Each member is exclusively liable for any tax liabilities arising out of their interest in the LLP, which will be assessed on the individual member and not on the LLP.

1.9 Government grants

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

Grants relating to assets are recognised in income on a systematic basis over the expected useful life of the asset. Where part of a grant relating to an asset is deferred it is recognised as deferred income and not deducted from the carrying value of the asset.

2 Judgements and key sources of estimation uncertainty

Critical judgements

The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Realisation of work in progress

The members estimate the net realisable value of work in progress, taking into account all available information at the reporting date. Having made appropriate enquiries the members have a reasonable expectation that the work in progress will realise at least the value reported in the financial statements. On this basis work in progress has been carried forward at cost.

7 Related party transactions

All members are considered to be related parties of the LLP.

8 Prior period adjustment

Closing work in progress and direct costs have been reduced by £27,797 to reflect overcharged interest on members loans in previous years. This has resulted in a corresponding reduction in loans and other debts due to members of £27,797 but has not impacted the loss for the year.
