EXECUTIVE SUMMARY

This report provides an update on risk management in Q3 2021/22. Additional detail is provided in the report as well as in the supporting annexes.

The Audit Committee and Executive have the authority to approve their respective recommendations.

STATUTORY POWERS

1. The Council holds various statutory responsibilities for ensuring that its business is conducted in accordance with the law and that public money is safeguarded, accounted for and is used economically and effectively.
2. The Council also has a duty under the Local Government Act (1999) to put in place proper arrangements for the governance of its affairs.
3. The discharge of this responsibility includes arrangements for managing risk.
4. The Council's Code of Corporate Governance outlines these core governance principles; compliance with the code is reported each year via the Annual Governance Statement.

BACKGROUND

5. Reigate and Banstead Borough Council has a proactive approach to risk management. It is an integral part of the Council's corporate governance arrangements and is built into management processes.
6. The Council operates a two-tiered risk management process to address the dynamic and interdependent nature of risk categorisation. The risk categories are strategic and operational risks.
7. Strategic risks are defined as those risks that have an impact on the medium to long term ambitions and priorities of the Council as set out in the Corporate Plan and Medium-Term Financial Plan (MTFP).
8. Members of the Management Team and Executive Members have shared responsibility for strategic risks. It is the responsibility of the Executive to formally endorse the strategic risks for each financial year.
9. Operational risks are short term risks that are encountered in the course of the day-to-day delivery by services. However, if the operational risk cannot be fully managed within the service or it has a wider organisational impact, then it will be considered for inclusion in the operational risk register. Heads of Service have responsibility for operational risks. The Audit Committee and Executive receive updates on any red rated operational risks as part of quarterly risk management reporting.
10. The Audit Committee has a constitutional responsibility to provide independent assurance to the Council of the adequacy of the risk management framework and

internal control environment. It provides independent review of Reigate and Banstead Borough Council's governance, risk management and control frameworks. A key component of fulfilling this responsibility is to regularly receive and review the Council's risks.
