

# Briefing: Schedule of Meetings 2023/24

## Addendum

### Summary

The attached Schedule of Meetings for 2023/24 contains two revisions made since the agenda for this Executive meeting was published. These have been made in response to feedback from Members at the Overview & Scrutiny Committee meeting held on 19 January 2023.

### Background

At the Overview & Scrutiny Committee meeting held on 19 January 2023, Members observed that there were two meetings scheduled to occur in the school Easter holidays in April 2024. These were:

- Planning Committee on 3 April 2024; and
- Council on 4 April 2024.

Members observed that this was not fair on those who have school age children and asked for these to be rescheduled to occur in termtime.

### Proposed change

To address the request made at the Overview & Scrutiny Committee meeting to move two meetings from the school Easter holidays in April 2024, the following revisions have been made:

- Planning Committee moved to 27 March 2024; and
- Council moved to 28 March 2024.

The attached schedule reflects these changes and is the version the Executive should consider for recommendation to Council.
