Ms Jemma De Vincenzo asked the **Executive Member for Housing & Support, Councillor Neame** the following question:

Question: Maintenance of Housing Association properties

We have all been distressed by the recent death of Awaab Ishak from mould growth in the family's Housing Association Property in Rochdale. It is horrifying that this could happen in this day and age, and distressingly, the Housing Ombudsman for England has said that it will happen again. What will the council do to hold Social Housing partners to account, to ensure it doesn't happen in Reigate and Banstead?
