Member Suggestions – brought forward from 2022/23

Work of the Green Spaces team in regard to the Countryside spaces in the Borough, and delivery of the Green Spaces work programme. For clarity, this excludes the Council's parks, gardens and play areas, work on highways verges and grassed areas, the spaces managed by the Banstead Commons Conservators and matters to do with Planning (Core Strategy and Development Management Plan). The aim of the review is to see how improvements can be made to services. This item would be guided by and would now follow approval of the Greenspaces strategy, discussed below.

Member Suggestions – additional scrutiny topics - Overview and Scrutiny Committee 2023/24

To work with the Executive to create a strategy toolkit to identify how strategies are created and what they should comprise/include. Following this, to consider the Council's proposed Greenspaces strategy.

To review the recycling service, following proposed revisions to the service as a consequence of the Government's Resources and Waste Strategy, Agreed to hold this topic as a pending item.
