	<b>EWB3</b>	1,830	Earlswood Baptist Church, St John's Road, Earlswood, Redhill RH1 6DZ	Earlswood Baptist Church	Redhill East	The Children's Centre, Earlswood & Whitebushes Infant School - this is needed for RDE3 as no other suitable premises can be found.	The Baptist Church can accommodate 2 polling stations and is situated between EWB1 & 3. It would also reduce the risk of confusion on polling day as some electors go to Earlswood Baptist Church instead of the Children's Centre and vice versa.
	<b>EWB4</b>	1,764	Redhill Football (Social) Club, Kiln Brow, Three Arch Road, Redhill RH1 5AE	Redhill Football Club	Earlswood & Reigate South	Whitebushes Village Hall could accommodate 2 polling stations.	Redhill Football Club car park is busy and the approach road is in poor condition. Whitebushes Village Hall can accommodate this polling station and is an alternative option although electors to the West of the Horley Road would have further to travel.

	HMN4	1,459	Merstham Community Hub, Portland Drive, Merstham RH1 3HY <b>NEW</b>	Red Oaks Children's Centre, Furzefield School	Merstham & Banstead South	Merstham Community Hub.	Red Oaks Children's Centre provides a small room which is tight especially for UK Parliamentary elections when there is a high turnout and the approach is difficult for electors to navigate in the dark. Moving this polling station to the Merstham Community Hub which is a well known and suitable venue is recommended.
	HMN5	1,532	Merstham Community Hub, Portland Drive, Merstham RH1 3HY <b>NEW</b>	Woodfield School, Sunstone Grove	Merstham & Banstead South	Merstham Community Hub.	It is recommended that HMN4 & 5 are combined into one polling district at Merstham Community Hub. On the map it could seem logical to swap the polling places for HRC1 and HRC2. However, the large hall at Horley Town Council is better suited to deal with the two polling stations required due to the electorate numbers in HRC2.
