

# Reigate and Banstead Borough Council Petition scheme

## Background

This scheme applies to all petitions submitted to the Council with 20 or more signatures. For petitions regarding a planning or licensing application, of a statutory nature, or on a matter where there is already an existing right of appeal, other procedures apply (see section 3)

Any petition that contains less than 20 signatures, or does not meet the guidelines within the scheme, will be treated as standard correspondence and receive a reply from the relevant Head of Service.

## 1. Petitions

The Council welcomes petitions and recognises that petitions are one way in which people can let us know their concerns.

Petitions may be created, signed and submitted online through the Council's e-petitions facility.

Paper petitions can be sent to:  
Democratic Services  
Reigate and Banstead Borough Council  
Town Hall  
Castlefield Road  
Reigate  
RH2 0SH

## 2. What are the guidelines for submitting a petition?

Petitions submitted to the council must include:

- a clear and concise statement (on each sheet) covering the subject of the petition. It should state what action the petitioners wish the council to take; and
- the name and address and signature of any person supporting the petition.

Petitions should be accompanied by contact details, including an address, for the petition organiser. The petition organiser can be anyone who lives, works or studies in Surrey. This is the person the council will contact to explain how we will respond to the petition.

The contact details of the petition organiser will not be placed on the website. If the

petition does not identify a petition organiser, we will contact signatories to the petition to agree who should act as the petition organiser.

In the period immediately before an election or referendum we may need to deal with your petition differently – if this is the case we will explain the reasons and discuss the revised timescale which will apply. If a petition does not follow the guidelines set out above, the council may decide not to do anything further with it. In that case, we will write to you to explain the reasons.

### **3. What type of petitions are excluded?**

We will not take action on any petition which we consider to be vexatious, abusive or otherwise inappropriate and will explain the reasons for this in our acknowledgement of the petition.

If the petition applies to a planning or licensing application, is a statutory petition (for example requesting a referendum on having an elected mayor), or on a matter where there is already an existing right of appeal, such as council tax banding and non-domestic rates, other procedures apply. Petitions of this nature will therefore be excluded from this Scheme and referred to the appropriate mechanism. For example a petition on a planning application will be treated as a representation to that application and considered through separate processes. Further information on all these procedures and how you can express your views is available on our website ([Planning Meetings](#), [Licensing Applications](#)) or by contacting Democratic Services.

Where a petition is received on the same or similar topic as one the Council has received in the last six months it will not be treated as a new petition. The Council will acknowledge receipt of the petition within 10 working days and include details of its response to the previous petition on the topic.

Where the Council is still considering a petition on the same or similar topic, the new petition will be amalgamated with the first received petition.

### **4. What will the council do when it receives my petition?**

We will aim to send an acknowledgement to the petition organiser within 10 working days of receiving the petition. It will let them know what we plan to do with the petition and when they can expect to hear from us again. It will also be published on our website, except in cases where this would be inappropriate.

We will write to the petition organiser at each stage of the petition's consideration.

We will publish the Council's response to the petition (all personal details will be removed). When you sign an e-petition you can elect to receive this information by email. We will not send you anything which is not relevant to the e-petition you have signed.

The Council may contact petitioners to provide information on the subject of the petition where it is considered this would be helpful.

Local Ward Councillors will be informed of all petitions received for their area.

## 5. How will the council respond to petitions?

Our response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:

- taking the action requested in the petition
- considering the petition at a meeting of the Council or Executive
- undertaking research into the matter
- holding a public meeting
- holding a consultation
- holding a meeting with petitioners
- writing to the petition organiser setting out our views about the request in the petition

The local Ward Councillors will be kept informed. The type of response the Council provides may be dependent on the number of signatories to the petition. The table below summarises the Council's approach:

Number of signatories	Response
less than 20	Response from Officer (treated as standard correspondence).
20 - 199	Response from relevant Member of the Executive.
At least 200	Referred to the Executive.
At least 400	Debated at a meeting of the full Council (see section 6).

If we can do what your petition asks for, the acknowledgement may confirm that we have taken the action requested and the petition will be closed. If the petition has enough signatures to trigger a council debate, then the acknowledgment will confirm this and tell you when and where the meeting will take place. If the petition needs more investigation, we will tell you the steps we plan to take.

Where the petition is referred to the Executive, the petition organiser will be given five minutes to present the petition at the meeting and the petition will then be discussed by councillors.

In addition to these steps, the council will consider all the specific actions it can potentially take on the issues highlighted in a petition. The table below gives some examples.

<b>Petition subject</b>	<b>Appropriate steps</b>
Request for play facilities	<p>If your petition requests the provision of new play facilities in the local area, the Council will consider the level of demand and the location and type of existing facilities.</p> <p>The Council will also consider what, if any, facilities are included within the existing budgets.</p> <p>If it is considered that the demand warrants further facilities, the Executive may seek to make future provision in the budget or request additional resources to increase the programme.</p>
Alcohol related crime and disorder	<p>If your petition is about crime or disorder linked to alcohol consumption, the council will, among other measures, consider the case for placing restrictions on public drinking in the area by establishing a designated public place order or, as a last resort, imposing an alcohol disorder zone.</p> <p>When an alcohol disorder zone is established the licensed premises in the area where alcohol related trouble is being caused are required to contribute to the costs of extra policing in that area. The council's response to your petition will set out the steps we intend to take and the reasons for taking this approach.</p>

If your petition is about something over which the council has no direct control (for example the local railway or hospital) we will consider making representations on behalf of the community to the relevant body.

The council works with a large number of local partners and where possible will work with these partners to respond to your petition. If we are not able to do this for any reason (for example if what the petition calls for conflicts with council policy), then we will set out the reasons for this to you. You can find more information on the services for which the council is responsible on our website [www.reigate-banstead.gov.uk](http://www.reigate-banstead.gov.uk).

If your petition is about something that a different council (e.g. Surrey County Council) is responsible for (e.g. matters related to the Highways Authority or Social Care) your petition with Reigate and Banstead Borough Council will be rejected and we will instruct you to resubmit your petition with the relevant authority as appropriate.

## 6. Full council debates

If a petition contains more than 400 signatures it will automatically be referred to the full Council for debate.

We will contact the petition organiser before the meeting. If the organiser wishes to present the petition at the meeting, confirmation must be given to Democratic Services on 01737 276182 at least 10 working days before the meeting.

The council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting. The petition organiser will be given five minutes to present the petition at the meeting and the petition will then be discussed by councillors.

The council will decide how to respond to the petition at this meeting. They may decide to support the action the petition requests, or not, or refer the matter to the Executive for further consideration. The petition organiser will receive written confirmation of this decision.

## **7. e-petitions**

The council welcomes e-petitions which are created and submitted through our [website](#). E-petitions must follow the same guidelines as paper petitions set out above.

The petition organiser will need to register as a new user with their name, postal address and email address before submitting a new e-petition. You will also need to decide how long you would like your petition to be open for signatures, up to a maximum of 12 months.

When you create an e-petition, our aim is to publish it online within five working days. This is because we have to check that the content of your petition is suitable before it is made available for signature.

If we feel we cannot publish your petition for some reason, we will contact you to explain. You will be able to change and resubmit your petition if you wish. If you do not do this within 10 working days, a summary of the petition and the reason why it has not been accepted will be published under the 'rejected petitions' section of the website.

When an e-petition has closed for signature, it will automatically be submitted to Democratic Services. In the same way as a paper petition, we will aim to acknowledge this within 10 working days.

A petition response will be emailed to everyone who has signed the e-petition and elected to receive this information. The response will also be published on this website.

## **8. How do I 'sign' an e-petition?**

You can see all the e-petitions currently available for signature on our [website](#).

To support an existing e-Petition click the link 'Logon and Sign online petition'. You will need to log in or register as a new user. Once you have completed your registration (including your name, address and email), you can sign the e-Petition. People visiting the e-petition will be able to see your name in the list of those who have signed it but your contact details will not be visible.

## 9. What other action can I take to engage with the Council?

Apart from petitions, there are many ways in which you can contact the Council and tell us what you think about the local area and services.

For general enquiries, you can contact the Council's Helpline on 01737 276182 or visit our website <https://reigate-banstead.moderngov.co.uk/>

You can also contact your local Councillor with any questions or concerns. Details of your local Councillor and how to contact them can be found on our [website](#).
