Subject: Police Objection to Reigate Kebab and Burger Bar (London Road Reigate) premises licence application .

Dear RBBC Licensing,

Surrey Police wish to object to the new premises licence application for The Reigate Kebab and Burger Bar, London Road Reigate.(LNR)

The reason for this objection, is that Surrey Police believe, based on the hours proposed and the operating schedule, the application in its current format, does not adequately promote the crime and disorder licensing objective.

Surrey Police believe the following conditions being attached to the premises licence (subject to issue), would promote the crime and disorder licensing objective and be proportionate to the new premises licence operating schedule.

1. CCTV shall monitor the public area as set out in the premises plan and the pavement immediately outside the front of the shop. The CCTV shall continually record whilst the premises is open to the public for late night refreshment. All recordings shall be of evidential standard, time and date stamped, maintained for a 31 day period and made available to the police or authorised officer of the licensing authority upon request. The CCTV shall be maintained by a suitably qualified person.
2. CCTV – A sufficiently competent person should be authorised by the premises licence holder that at all times the premises is open to the public for late night refreshment , a member of staff is available to show the police or authorised person when formally requested to do so, any footage/images from the CCTV system, with the minimum of delay.
3. CCTV – A sufficiently competent person should be authorised by the premises licence holder to provide the police with downloaded CCTV data (footage and /or images in an appropriate recorded format, to include a disc, memory stick or data file sent electronically) when formally requested to do so. The authorised person shall facilitate such data to be obtained by the police within 24 hours of a formal request being made.
4. The premises licence holder shall ensure that staff are instructed to report incidents of crime and disorder to the police.
5. An incident log shall be maintained on the premises, which documents the date and time of any incidents involving the premises, which could undermine the licensing objectives. This shall be completed within 24 hours of the incident, be available upon request of a police officer or an authorised officer and will record the following:
 - Any incidents concerning the protection of children from harm
 - All crimes reported at the venue
 - All ejections of customers

- All drugs related incidents
 - Any incidents of disorder
 - Any faults in the CCTV system, including action taken to remedy
 - Persons banned from the premises
6. On Friday and Saturday nights, the front door of the premises is to remain closed at all times after 01:40hrs, except for the egress of customers already in the shop.
 7. Signs to be clearly displayed informing customers there is no admittance after 01:40hrs.
 8. The premises must close by 02:00hrs.
 9. Children and young persons under the age of 18 shall not be permitted to enter the premises during late night refreshment hours.

I have mediated with the applicants agent on these proposed conditions ,which are agreeable to the applicant . I am aware the applicant has forwarded their agreement to these proposed conditions to RBBC Licensing.

For your consideration.

Kind Regards
