11 Statements

At what was her last meeting, Councillor Neame, the Executive Member for Housing and Support, made a statement to Council to recognise the work that had been achieved by her Portfolio. Camelia Close had provided 25 family homes and apartments of which 40% were affordable. Lease Street had provided four bungalows for the most vulnerable residents. This had been supported by a Homes England sustainable grant. Cromwell Road had been transformed into Wheatly Court which was the first fully owned Council social housing project. It offered 32 family homes and had won the best large social housing development award. This was a big achievement for the Council's first major build which was achieved against a backdrop of Covid with a resulting significant increase in costs. As a result, a housing development had been put on hold but it was hoped to return to this as the economy settled. Despite the successes, it needed to be recognised that the provision of homes remained one of the Council's biggest challenges.

12 Changes to Committee Appointments

RESOLVED to approve the members of Committees as set out in the schedule of nominations by Group Leaders within Annex 1.

13 Leader's announcements

The Leader gave thanks to five Councillors who had made a significant contribution to the Borough but who had decided not to stand again and to step down as Councillors. Former Councillor Jill Bray was noted for her role as Mayor as well as having advocated for her ward and the Borough. Councillor Harper was highlighted for his invaluable work on Committees. Two members of the Executive were also not standing again. Councillor Neame's work on housing was highlighted as exceptional. Councillor Andrew King had taken on a difficult portfolio which had been turned around so that commercial opportunities were being explored. Councillor Sachdeva had previously been a member of the Executive and was thanked for her extensive work around Holy Festivals.

It was noted that the Council would celebrate its 50th birthday on 1 April 2024.
